CARATTERISTICHES - TECHNICAL DETAILS - DATI TECNICI

« Rose & Nino » est une superbe collection complète co-signée Casadeco, spécialiste des papiers peints, et Camengo, spécialiste des tissus d'intérieur et confections. Les deux marques se sont associées autour d'un thème tendre et poétique pour habiller de douceur et de gaieté la chambre des bébés.

« Rose & Nino » racontent de très belles histoires remplies de tendresse et de créativité, de couleurs et de douceur, d'animaux et de dessins adorables... Cette collection créée pour les filles et les garçons de 0 à 6 ans imagine un décor enchanté pour leur chambre, elle habille leurs jours et leurs nuits de petits bonheurs à croquer, à inventer, à rêver. De jolies aventures quotidiennes, à vivre au milieu de girafes fleuries, de baleines à rayures, de tigres gentils, de nuages moutonneux... à la recherche d'un trésor : un trésor à découvrir dans notre mini film d'animation créé spécialement pour la sortie de cette nouvelle collection enfant. Laissez-vous emporter par la magie d'un univers féérique, celui de « Rose & Nino ».

"Rose & Nino" is a beautiful, complete collection produced by Casadeco, who specialise in wallpapers and Camengo, specialising in interior fabrics and accessories. The two brands have come together for this sweet and poetic theme to dress babies' rooms in softness and happiness.

"Rose & Nino" tells lovely stories filled with tenderness and imagination, colours and sweetness, animals and adorable illustrations... This collection, designed for girls and boys up to the age of 6, creates an enchanted decor for their room, filling their days and nights with small pleasures to catch hold of, invent, dream. Wonderful adventures to live each day, surrounded by floral giraffes, striped whales, friendly tigers, fluffy clouds... a treasure-hunt : a treasure to seek in our short animated film, created for the launch of this new children's collection. Let yourself be carried away by the magical universe of "Rose & Nino". They create a perfectly harmonious and delicate look, to dress a room with authentic charm, creating a peaceful look.

The "Five o'clock" collection is based around a superb vinyl on non-woven wallpaper; of outstanding quality, its grain and texture are that of a magnificent fabric, slightly silky and extremely sophisticated. A wonderful tribute to manor houses and exceptional fabrics, British culture and way of life.
