

Blue Ridge Council of Teachers of Mathematics
Minutes from August 9, 2021 board meeting

Members Present: Jane Wolfe , Theresa Hartley, Ashley Pratt, Carrie Bush

Treasurer's Report: Ashley Pratt presented the treasurer's report showing a balance of \$3,414.18. The majority of the increase was because of the increased value in the investment account. Ashley notified the board that she has been "locked out" of the account because of our bank's merger. She has been working to rectify the situation. Terry said that she will call Kelsey to see if she can help.

New Business:

- There will not be a BRCTM conference in the fall of 2021.
- Discussion about holding a virtual conference in the spring and the board decided to hold one in person or not at all (masks, burden on the host school, etc.)
- Ideas for a speaker: VMPI is coming up fast and teachers have questions; possibly get Robert Berry and live stream. Another consideration was to have 3 different speakers talk about VMPI (elementary, middle, secondary)
- Scholarship: We have the money and want to award the scholarship this year. We will make it work.
- Meeting Dates:
 - November 15th at 4:00 (virtual)
 - January 10th at 4:00 (virtual)
 - March conference?

Meeting adjourned at 4:35 pm
