Twin City Marina is not responsible for any damage sustained to the customer's boat after the first freeze of the fall season. Freezing is defined as any day where the temperature reaches 32 degrees Fahrenheit (0 Celsius) or lower. Twin City Marina takes full responsibility for work performed before the first freeze of the fall season. Twin City Marina warrants its workmanship and services rendered only. Not responsible for parts due to age or condition of the boat. Agreement expires 9 months after date of winterization. **If batteries are dead, there will be a \$25.00 fee to jump start boat.**
