# Standard Issue Armory LLC

**Executive Summary:** Standard Issue Armory was born from the passion and dedication of a group of military veterans who saw the need for a reliable, knowledgeable, and customer-centric firearms provider. Founded in Southern Indiana, our mission has been to empower firearms enthusiasts and provide them with the highest quality products and services.

**Core Competencies:** Our core competencies include top-tier tactical solutions, making us a premier weapons manufacturer committed to delivering top-quality products for both public and government use. At SIA, we specialize in providing an extensive range of Tactical Equipment, Duty Gear, and Ammunition designed to bolster emergency preparedness and enhance security in diverse environments. Our product portfolio encompasses state-of-the-art ballistic solutions meticulously engineered to fortify security in high-threat environments. Whether you are a Law Enforcement Agency, a Military Entity, or an individual seeking unparalleled protection, our multi-caliber Firearms, Machine Guns are meticulously crafted to meet your specific needs. SIA is the dealer of every major brand of Firearms and Accessories, Optics, Weapon parts, Magazines, and other components. We are an authorized Reseller of every category related to sporting goods along with every brand the Government currently uses.

- Past Performance:**
- Military police officer.
  - Interpreted military law, served as a point of contact for traffic accidents, took charge of incident scenes and conducted the investigations, prepared and reviewed police reports for accuracy, compliance with policy, and completeness.
  - Enforced regulations of Uniform Code of Military Justice and acted as general first responder to emergency situations involving accidents, crimes, and misconduct including misdemeanors and felonies; preparing and reviewing police reports for accuracy.

**Differentiators:** Our attention to detail, unique design, and quality control make our manufactured products superior to our competitors. Our direct access/relationships we have with other popular manufacturers allows us to provide products that agencies and the warfighter needs; much faster and at a better price than any other company.
