## Our Mission

At Furry Tales Mobile Workshop, our mission is to create unique, memorable, and fun experiences wherever we go. Whether it is a hosted event or a pop-up shop, we want to bring a smile to everyone's face!

## The Experience

The stuffing experience takes place on a reimagined school bus, complete with a variety of ready-to-be-stuffed animals, themed areas, and a magic "Tree of Life" stuffing machine! Finish the journey with a customized certificate complete with access to story times!

## Social Responsibility

We are reducing our carbon paw print by using many products made with recycled materials. Our goal is to shift to 75% recycled materials by January 2026. Show your support for the environment by shopping our eco friendly products.

# WHAT WE DO

Our unique service is more than just selling stuffed animals; it's about delivering an enchanting, hands-on activity to your location.

The experience revolves around our reimagined school bus which we've transformed into a magical workshop on wheels!

3  
**LOVE**

Each participant can choose their favorite plush friend from a variety of themed areas and bring it to life by stuffing it just the way they like. Complete the journey in the bus with a custom certificate, assigning a name to their new friend and marking the special occasion.
