

Our COVID Response and Pledge

Clean vehicles have always been important to us, but at this moment in time, we know vehicle cleanliness is even more critical. The health and well-being of our customers and entire staff has and will continue to be our top priority as we navigate these unsettling times.

Our professional chauffeurs wear a mask and we ask that our customers do the same for the safety of everyone. Each of our vehicles is thoroughly cleaned between every rental and backed with the Complete Clean Pledge. This includes washing, vacuuming, general wipe down, and sanitizing with a disinfectant that meets leading health authority requirements, with attention to more than 20-plus high-touch points including:
