

Parental Consent and Release for activities held at How Sweet It Is Cake Studio

You must fill out one form for each child in attendance.

Courtesy disclaimer - let's not make it awkward for the party host (or you!)

We understand that sometimes a guest may have family members or friends who would like to participate in the decorating class, but we don't like upsetting people (especially kiddos!) when they can't join in. Please note the party host has paid for a specific number of guests on their list, and all materials are provided for said number of guests, including seating which is limited to 18 decorators. If you bring a kiddo who is not on the list, we will not have materials prepared for them to participate, and sharing is not allowed. Guests who are not on the original guest list will require notification to the Studio by the party host 3 days before the party date to confirm space availability and ensure materials and certificates are prepared for the additional guest(s).
