
You and Me Kiddo! Cake Class

\$70 FOR ONE CHILD, \$99 FOR TWO CHILDREN UP TO 2 ADULTS— 2 HOURS

Does your little one love to watch baking shows? Have they shown interest in being the next great baker? How much do you love doing things with your kiddo? Come join us for a cake decorating class!

In this class, we will frost a personal-sized cake, decorate it and make all the pieces needed to decorate it! Oh, and don't worry, we will be baking your cake ahead of time so you can get right to it! Each student will go home with a completed ready-to-eat cake of their own design.

Some of the points we will teach you:

- How to mold chocolate or fondant into the desired shapes
- How to pipe, scoop or smooth your cake frosting on
- Tricks on how different decoration options can be used on your cakes
- How to color frosting to achieve the right texture
- Basic piping tips and skills
- How to stick fondant pieces together and or use other edible materials to make a topper

We look forward to teaching you these great skills, that can be used at every event you have from here on out and can be modified to make other designs and can even be used on cake!
