
You and Me Kiddo! Cupcake Class

\$60 FOR ONE CHILD, \$90 FOR TWO CHILDREN – 2 HOURS

Does your little one love to watch the baking shows? Have they shown interest in being the next great baker? Come join us for a cupcake decorating class! First, we will show you how to pipe the frosting onto the cupcakes to achieve the desired design. Once all 6 of our cupcakes are frosted we will dive into the toppers! You and your little one will be taught step by step how to make toppers relevant to the theme using materials you can pick up and recreate at home later! Each class will be by theme and each cupcake will have a different topper.

Some of the points we will teach you:

- How to mold chocolate or fondant into the desired shapes
- How to pipe, scoop or smooth your cupcake frosting on
- Tricks on how different filling options can be used in your cupcakes
- How to color frosting to achieve the right texture
- Basic piping tips and skills
- How to stick fondant pieces together and or use other edible materials to make a topper

We look forward to teaching you these great skills, that can be used at every event you have from here on out and can be modified to make other designs and can even be used on cake!
