Week-end leave
(Home)

march - 3 - 36
Tuesday

work down at
High Acres. Pretty
muddy.
Played the fiddle
with three over
the "Kee"

march-4-36

wednesday

Semb farmacks

went to show

Jan, Pappy,

Johnson and

2 from the "Knuts
Club"

march-5-36

Thursday

The ground was

pretty muddy

today. You-

sure I got

stopped up

digging in it.

March-~~6~~-36
Friday.

The ground was
frozen again
today. So we
just stood around
chewing the fat.

We didn't
work twice as
much as we
didn't work
yesterday.

Played some
ping pong in the "Rec"
hall.

They have a swell
parlor set up there
now.

March-7-36
Saturday

On week end detail.

Switched week ends
with a fellow in barrack
so I could get away
next week!

Didn't do anything
in the morning.

Dug a foundation for
a new room back of
the mess hall after
lunch.

4 men in the
barrack this week end
played some ping
pong.

march - 8 - 36

Sunday

I played ping pong
over the rec
hall most of
the day.

Uncle Al fixed
it up for me to
go around and
see his niece
next week.

march - 9 - 36

Monday

Did hardly anything
on the job today
except fool around.

Lay around at
night reading
and writing.

I doubt if that
road we're working
on will ever be
finished.

March-10-36

Tuesday.

Was pretty warm
out today. The
ground softened up
quite a bit and we
dug up quite a
piece.

Played some
ping pong after
chow.

S.A. inspection

March-11-36

Wednesday

No work today
on account of rain.
I hope this

doesn't queer my
week-end leave.

Hang around the
Rec Hall playing
ping pong and
reading.

Heard the C.O. and
C.A. talking. I

think McCue will
get kicked out of
his rating in
preference to the
Phillipini

March-12-36

Thursday

It rained on and off but we went out to work.

We may have to work Saturday now - That will knock my week-end on the head

March-13-36

Friday

It snowed like the devil this morning, but stopped around 10:00 AM.

We went to work.

No work Saturday

Signed our intentions on staying or leaving. I signed to leave.

Left for Newark on the 18:16

Sunday

Week-end Leave

march-16-36

Monday

Back to work
again.

Talked navy
with Ed Johnson
all day.

There's a thunder
storm coming
up.

Got a letter
from Georgia
today

march-17-36

Tuesday

It was cloudy
and threatened
rain. Didn't
come until the
afternoon.

We went in but
got soaked anyway.

Lecture on Bands
of Chance by a Prof
from Lafayette.

Worked on some
music with
Steve

March-18-36
Wednesday

We didn't go
out in the morning
because of rain.
Signed the final
payroll.

We couldn't
work in the hole
on account of the
mud so we had
a mud fight.

Art Class.
Started sketching
a sail boat.

March-19-36
Thursday

No work today on
account of rain.

Felt funk. just
lay around the
barrack all day.

March-20-36

Friday

Felt pretty lousy
this morning so
went over the
infirmary and
they put me to
bed

infirmary

March-21-36

Saturday

Infirmary

March - 22 - 36
Sunday

Infirmary

March - 23 - 36

Monday

Out of the infirmary
today and back
to work.

Had a racket
this afternoon.
Loaded rocks on a
truck going to
High bridge. worked
about fifteen
minutes every
hour.

went to the
show.

march-24-36

Tuesday

Back in the
mud hole today
worked pretty
hard for a change

march-25-36

wednesday

Was water boy today
w/ hat a racket. I
slept most of the
day.

Tried to sneak in
the show tonight
but no luck a
bunch climbed up
the front of the building
and went in thru
the window

March-26-36
Thursday.

Started laying
ballast in the
hole today

March-27-36
Friday

No work this
morning on
account of rain.
Went out in the
afternoon.

Johnson shipped
out so I answered
to his name at
roll call and
got away with it.

march-28-36

saturday

went for a walk
around the
park and took
some pictures

Played some
ping pong

march-29-36

sunday

just lay around
all day.

March-30-36

Monday

Sat around all day basking in

the sun because it was my last day.

Raised hell around the barrack. hung all the lights with toilet paper.

After Benson went to bed we dumped him all over the barrack

March-31-36

Tuesday

Had our physical exam before breakfast.

After breakfast turned in our equipment.

Were paid after lunch.

We broke a mess of light bulbs in our barrack, tied the barrack bag to the rafters, piled all the comforters and pillows on one bed and piled a bunch of foot lockers up against the door.

at ten minutes to
three the Captain
was sleeping and
he still had all
the discharges to
sign. We had to
hold up the train
for a few minutes.

Climbed aboard
and it was
good bye to the
CC&.
