Important Notes

We make every effort to pair families with puppies who display the traits they are looking for; however, purchasing a puppy is not like ordering a custom item off a website. You may not receive a puppy exactly as you had envisioned. For example, coat colours can change over time — a dark red puppy coat may mature into an adult coat that is a lighter shade of red. While we can determine coat type from an early age, we cannot know exactly how curly, wavy, or straight a coat will be as your puppy matures.

Thank you for your interest in a Zoe's Doodles puppy!
