No. Whenever you are dealing with The Fremont Group you can always stop whenever you want with no further obligation.
- **I UNDERSTAND THAT THE OUT-SOURCED ACCOUNTING IS VERY IMPORTANT BUT WHAT IF I LIKE MY CURRENT ACCOUNTING?** The only rule when working with The Fremont Group is we do whatever is best for the client. We create a customer plan for every client and if you want you can keep your current accounting personnel. TFG will provide you with options as to how we would do your accounting and with how we can work with your current accounting. You compare the costs and benefits and choose.
- **HOW DOES THE ON-GOING SUPPORT WORK?** All of our clients join and must remain as “Presidential Patrons” on our Patreon site ([www.patreon.com/TheFremontGroup](http://www.patreon.com/TheFremontGroup)). This is a \$295 monthly charge on your credit card. For this nominal investment you receive access to our blog of materials and webinars; the ability to schedule a weekly Zoom conference with your Success Partner; and priority attendance at webinars. The weekly meeting is critical to your successful implementation of the systems, procedures and controls that are developed for you. Most importantly your Success Partner will keep you FOCUSED on moving forward.

Often there are also reports developed for the Key Profit Indicators of the company and reports that are used in the development of incentive programs.
