

Cancellation Policy

Strong by Siegel requires 48 hours notice of any training sessions you are unable to keep.

First No Show/Late Cancellation

SBS understands that sometimes late cancellations are unavoidable, therefore you will not be charged for your first no show/late cancellation provided you reschedule your training session.

2nd & Subsequent No Show/Late Cancellation

You will be charged a flat rate of \$50 for any appointments you miss or cancel/reschedule without 48 hours notice.

Termination of Training

As the trainer's time is very valuable, if frequent late cancellation or no shows, Strong by Siegel, LLC has the right to dismiss you as a client.

I, _____, understand the policy as written above and that missed and late cancellations will result in charges and possible termination from training.
