## Open-Air Workshops

**Mondays, Tuesdays and Wednesdays in July and August**

Come visit us in Cross Village and learn to create art outdoors. Open-Air Workshop days are intended to foster creativity and encourage experimentation. Artists and non-artists come together in a social act of collaboration, the only entry requirements being an inquisitive nature, a curiosity about new and traditional media, and a lack of inhibition about creating in a semi-public space.

You and your group will have your own art table, apart from other groups under a sunshade in the studio's beautiful yard. Come have fun with us. We follow all current COVID19 protocols to ensure your safety.

### How It Works
