

CREATIVE MENTORSHIP AGREEMENT

Thank you for choosing me as your creative mentor! I look forward to collaborating with, supporting, and growing with your growth as a creative!

This agreement outlines the scope and expectations of Creative Mentorship at Artful Transformations Studio.

PURPOSE OF CREATIVE MENTORSHIP

Creative Mentorship is designed to support artists who are seeking direction, clarity, and growth in their creative work. Mentorship may include discussion, review of artwork, reflection, planning, and guidance to support artistic development.

- Review and discussion of current or past work
- Support with momentum, clarity, and next steps
- Occasional light creating if it supports discussion or planning

Mentorship sessions are collaborative and reflective in nature.

- Guaranteed outcomes or results
- Mental health counseling, therapy, or crisis support
- Ongoing or unlimited communication outside of scheduled sessions

CREATIVE MENTORSHIP AGREEMENT

COMMUNICATION OUTSIDE OF SESSIONS

- Brief, informal sharing outside of sessions – such as sending a photo of new work to celebrate progress – is welcome and encouraged.
- Communication outside of scheduled sessions is intended to be brief (approximately 5–10 minutes).
- Any communication requiring more in-depth discussion, feedback, or guidance must take place during a scheduled mentorship session or through a purchased phone or text mentorship option.
- Ongoing or open-ended communication outside of sessions is not included unless otherwise arranged in advance.

PAYMENT & CANCELLATION

- Payment is due prior to each session or according to package terms.
- Sessions canceled with less than 24 hours' notice may be forfeited.
- If a participant arrives more than 15 minutes late without prior notice or 30 minutes with notice, the session is forfeited, and the mentorship payment for that session is charged in full.
- Used or forfeited sessions are non-refundable.
- This policy helps protect scheduled studio time and ensures fairness to all participants.
