 - New members will be notified via email when their mugs arrive at the pub.
 - Mugs are kept on specific pegs on the pub walls, organized numerically. Members may take their mugs to be painted/decorated, or keep them at home if they so choose. PPBC is not responsible for any damage to the mug off premises, nor for any chipping/fading to alterations of mug aesthetic due to regular washing procedures while in the care of PPBC.
 - E-mails will be sent out periodically to keep members informed of any PPBC MCM related news.
