

## **Buile Hill Draft Vision and Objectives**

### **Vision**

*Buile Park and Mansion will be the City Park for Salford. At the heart of the city a space to relax and enjoy, providing health, creative and cultural activities, a place for education and training for local people and visitors alike.*

### **Objectives**

- To bring all partners together to develop a shared vision and objectives for Buile Hill, recognising that restoration of the Park and Mansion are integral to its successful revitalisation.
- To bring Buile Hill mansion back into sustainable long-term use as an asset for the city and community, with an appropriate mix of commercial and community activities.
- To enhance the setting and facilities of Buile Hill Park with a view to enhancing its role as a recreational asset for residents of the city and to achieving Green Flag status and a sustainable future.
- To secure a long-term use for the former Depot which complements and supports the restoration of the park and mansion.
- To celebrate Buile Hill and the wider area's rich history through a mix of interpretive, artistic and cultural activities and programmes.
