VE DAY commemorations are being hosted at Boscombe Down Aviation Collection this May

On May 4, reenactors from 4th Battalion Wiltshire regiment, guest speakers, parachute packing demonstrations, a round canopy display team and bagpipe and drum displays by Wiltshire Caledonian Pipes and Drums will all take part in the events commemorating 80 years since VE Day in 1945.

Standard museum entry will apply, with food and drink available on site.

Boscombe Down Aviation Collection is situated at Hangar 1 South at Old Sarum Airfield, and events will run between 10am and 4pm.
