The Wiltshire Caledonian Pipes & Drums band always enjoy the Summer Carnival scene on the Wessex Circuit and the band lead by Pipe-Sergeant Mr Keith Turner got off to a fantastic start yesterday when it scooped the Town Crier's Choice Award at the Melksham Carnival and Parade 2025.

Pipe-Sergeant Keith said; "The band is always delighted to play in these fantastic parades throughout the Summer. We get a lot from them and get a great response from the audience. We could not be prouder to have received this Award."

This July the Wiltshire Caledonian Pipes & Drums is performing at the Salisbury City Council Mela, the Hungerford and Andover Carnivals and parades and the Shutzenfest Hausdulment in Germany. We will also be attending the Tidworth Town Council Festival & Skatepark Jam on the 26th of July and invite all our followers to come along and have a go at playing the pipes and drums themselves.
