

Critical illness coverage — financial protection when you need it most

Get covered. *Get well.* Protect your future.

Extra protection from a critical illness plan helps make it easier to stay on your feet financially so you can keep moving forward. With our variety of benefit levels, it's easy to find a plan that best fits your needs and budget.

Get well without worrying about bills piling up

Our critical illness plans pay you cash benefits upon your first diagnosis of a critical illness. Use the cash to help pay expenses not covered by other plans.

MEDICAL EXPENSES SUCH AS:

- Deductible and coinsurance
- Out-of-network costs
- Other non-covered treatments

NON-MEDICAL EXPENSES SUCH AS:

- Child care
- Travel to the best doctors and hospitals
- Lost income from time off work

A critical illness diagnosis can get expensive

Cost of treating colon cancer over a year = \$14,019¹

Average cost of treatment for the first 90 days following a heart attack = \$38,501²

Get coverage for less than 50¢ per day³

Don't let a critical illness diagnosis catch you off guard. Learn how National General's critical illness coverage can help you plan for the unpredictable today.
