term life critical illness

Cash benefits to help you
or your loved ones in case
of critical illness or loss.

support when it's needed most

The people we love mean more than anything else. So it's important to have a policy that reduces the financial impact of a critical illness or loss. Term Life Critical Illness coverage from Allstate Health Solutions pays a cash benefit directly to you, or your loved ones. And that cash can be used where it's needed most, such as replacing lost income, or paying expenses other policies don't.

Benefits in every policy:

- Cash benefits paid at first diagnosis or treatment.
- Visit any doctor or hospital you want.
- No deductibles, coinsurance, copays or preauthorization.
- Policies issued for ages 18-60, for you and/or a spouse.

How the policy works

Choose the benefit amount that best fits your needs and budget. If a critical illness benefit is paid, your total benefits are reduced accordingly. The monthly premium is also reduced as long as your policy remains active. Your policy continues to pay benefits until the term ends, or benefits are fully paid.

Coverage options	
Term life benefit	\$25,000
	\$30,000
	\$50,000
	\$75,000
	\$100,000
Critical illness benefit	Equal to term life benefit; payable to age 85.

This policy provides limited benefits.

coverage details

Your policy covers two types of events:

1. When the named insured passes away, your family receives 100% of the chosen cash benefit.
2. When the named insured is diagnosed with a covered condition, they receive a portion or full amount the chosen cash benefit.

Multiple payouts for critical illnesses

After a partial (25%) benefit is paid, 75% of the critical illness benefit remains. This means it's possible to receive multiple payouts.
