Through five key programs – Awards, Guild, Alliance, Mercantile and Fund– we build widespread support for the growers, ranchers, makers and merchants stubbornly swimming upstream to create and share the kind of food we all want to eat: tasty, authentic and responsible. Help us with War against Hunger And Human Rights for Nutritional Food.

Tasting Notes From The Judges: Ulukila Breadfruit Spirit.

Great notes, really amazing all around, good mouthfeel.
Really cool, soft tropical fruits, can see it subbing for lots of spirits.
A structured & rich palate with long lingering finish.

Extra Smooth with like Guava Jack Fruit aroma.
Tangy tropical with Passion Fruit notes.
Interesting notes with hint of fruitiness & green pepper.

Note from the Master Distiller : There is nothing better then Clear Breadfruit Spirit/Brandy. There is no artificial flavor to substitute breadfruit flavors and aromas. Clear Breadfruit Brandy Spirit is as Good or better then any Whiskey or Tequila with wide range of sophisticated intriguing flavors and aromas.

Oak/Albizia Barrel Aged Breadfruit Brandy is good or better then any aged Rum, Whiskey and Tequila.
