Teapot Flowers would be delighted to deliver and install your wedding flowers. Charges for this are dependent on the distance to the venue/s from our design studio in Rugby and time required for preparation and installation. This will be in addition to the total for the floral designs, usually 20-30% of the floral total.

Teapot Flowers is excited to be part of your wedding and looks forward to creating a unique, seasonal floral scheme using British flowers to complement and enhance your special day.
