Commander's Corner

A brief note of thanks to the membership of Post 113 as I complete my first year as your Commander. As you can see from the photos below, it has been a very busy and productive year, thanks to the hard work of your executive committee and the many members who support our post. A special thank you to the leadership provided by past commanders Jerry Hook and Scott Klassy. Finally, let us remember those members of our post who passed away during the last year. Keep them and their families in your prayers. Jeff Anderson, Commander

In Closing

In addition to those events described in the photos above we had our annual steak feed in January, a Chili Supper in March, several euchre parties, we supported the rechartering our Legion Auxiliary Unit, we sponsored a presentation by the Missing In Action Recovery and Identification Project in April and sponsored a tour of the Wisconsin Veterans Museum in May. Also, thanks to the hard work of member Paul Hodgson, we remodeled the apartment above the Post and thanks to Hefty Construction, the exterior facade of our building was repaired.

We are so fortunate to have an excellent relationship with the VFW, as well as, outstanding support from our entire community.

Please come out to our Annual Picnic at Grundahl Park, lower shelter at 6 PM on the 14th of August to socialize and have a great time with members and their families. Please RSVP to mhamlegionpost113 or call the Post at 437-0113 and let us know.
