

WHY WALLECA?

Why is our Wisconsin American Legion Enforcement Career Academy (WALLECA) so important? Agencies across the State and even around the country are constantly in need of quality applicants entering the law enforcement field.

That's why Legion Wisconsin launched WALLECA, designed to provide first-hand experiences and insight into the operation of law enforcement agencies.

Cadets experience group marching. Cadets are exposed to a structured environment to help them cope with stressful situations.

THE PARTICIPANTS

The American Legion, Department of Wisconsin, along with their sponsors holds a Law Enforcement Center Academy open exclusively to 52 Wisconsin high school sophomores and juniors who are in good standing. Students should also be of good moral character and possess a desire to learn about law enforcement professions. The program provides hands on experiences and insight into the operations of law enforcement agencies. The instructors are law enforcement professionals who are subject matter experts.

APPLICATION PROCESS

The American Legion, Department of Wisconsin will select, approve, and place students in the program.

Release of liability forms will require signature upon selection to the program.

Applications will be available the first Monday in January, online at wilegion.org/walleca with a deadline of March 12.

SUPPORT WALLECA

"I immensely enjoyed my time there and learned a lot about myself and law enforcement. It has convinced me that my career will be law enforcement, and I look forward to defending my communities alongside the amazing troopers, sheriffs, and police officers that I met at WALLECA. Thank you for giving me this great opportunity!"
