County Youth Government Day: The school, in cooperation with county and American Legion officials, arranges a date for the American Legion County Youth Government Day. A date in February, March, or early April is suggested, so as not to conflict with elections. The Legion Posts sponsor this event beginning with a general assembly, luncheon and recognition before returning to school.

The goal of this program is to increase student interest in government and citizenship. Students are paired up with County officials to get a behind-the-scenes look at County Government and learn about the various offices and their responsibilities.

Every participating school selects students to represent the different offices (sheriff, district attorney, register of deeds, county clerk, etc.). Students will have an informative day and will gain a deepened understanding of the government process because they have experienced it.
