OFFICIAL PUBLICATION OF THE WISCONSIN AMERICAN LEGION FAMILY | WILEGION.ORG

THE MISSION OF THE AMERICAN LEGION, DEPARTMENT OF WISCONSIN IS TO PROVIDE SERVICE TO VETERANS, THEIR FAMILIES AND THEIR COMMUNITIES.

## THE FOUR CHAPLAINS SERVICE HELD AT MIDWINTER CONFERENCE

The Four Chaplains, also referred to as the Immortal Chaplains or the Dorchester Chaplains, were four chaplains who died rescuing civilian and military personnel as the American troop ship SS Dorchester sank on February 3, 1943, in what has been referred to as one of the worst sea disasters of World War II. At the Midwinter Conference, Members of the Legion Family serving as Chaplains participated in the Four Chaplains ceremony. In the front row, from left, Department Historian Morris Sadicario, 4th District Chaplain Daniel Workenaour, back row, Grant County Commander Alan McCormick, Department Chaplain Virgil Smith, Detachment Chaplain John L'Huillier, and Chair, Religious Emphasis Committee, Darrel "AJ" Feucht. ## 2026 MIDWINTER SUCCESS!

Thank you to everyone who attended the 2026 Midwinter Conference! Over 500 members of the Legion family came for the camaraderie, classes and fun.

Friday held the Committee meetings. There was a lot of work being completed and we can look forward to many action items to help the Wisconsin American Legion support our veterans, their families and the community.

On Saturday, members could take as many of the classes as they could fit into their schedules. There were several new classes such as Internet Safety, Operation Namesake and Post Finances along with the other favorites like Post Adjutant, Post Commander and Generational Leadership.

The event culminated with the

Honor Your Service banquet. The food and entertainment by Boogie Time Entertainment were excellent. Legionnaires were decked out in clothing representing their service – some even had uniforms that hadn't shrunk from sitting too long in the closet!

Department Convention will be here before you know it! Save the dates of July 16-18, 2026. We will be at the Hilton Paper Valley in Appleton. This year's theme will be Honor Our Country to align with America's 250th birthday. We hope to see you there!

THE AMERICAN LEGION – *WHERE EVERYONE KNOWS YOUR NAME*

Every time I hear the theme song from the series Cheers, I think about how the lyrics reflect the role every Legionnaire and Legion Post plays in creating positive connections to Veterans as they navigate their journey through life’s challenges. I encourage you to read the abbreviated version of the full lyrics and reflect on what you can do to BE THE ONE who helps all Veterans “take a break away from all their worries.”

Making your way in the world today  
Takes everything you’ve got  
Taking a break from all your worries  
Sure would help a lot

Wouldn’t you like to get away?

Sometimes you want to go  
Where everybody knows your name  
And they’re always glad you came  
You want to be where you can see  
Our troubles are all the same  
You want to be where everybody knows your name

Be glad there’s one place in the world  
Where everybody knows your name  
And they’re always glad you came  
You want to go where people know  
People are all the same  
You want to go where everybody knows your name

BBS TEACHES THE IMPORTANCE OF INTERPERSONAL ‘SOFT SKILLS’

By Drake White-Bergey

Boys who attend Badger Boys State spend their week learning by-the-books technicalities; parliamentary procedure, how to accurately conduct an election, following a strict itinerary, and following laws and legal proceedings are all important “hard skills” taught at BBS.

But Tyler Katzenberger, a 2019 BBS alumnus, found value in the interpersonal “soft skills” he learned as a citizen of the Badger Boys State.

Katzenberger — who lived in the City of Schmedeman, Mitchell County during his time at BBS — currently works as a California tech reporter for

POLITICO, covering stories related to Silicon Valley, artificial intelligence, the tech industry and the California state government. He said BBS gave him early insight into how social dynamics affect real-world government practices.

“Sociability is everything,” he said. “Being cool and fun to vibe with is

going to get you a lot of places.”

As a reporter, Katzenberger said he needs to establish strong connections with politicians, CEOs, and other important tech figures, which includes strong first impressions. Being able to make strong first impressions and quickly identify social dynamics has been crucial as he navigates the Californian political atmosphere.

“Sociability is a really good soft skill to have, and my job is all people skills,” he said. “Don’t get me wrong, I have to know a lot about policy. But to actually be good at my job, I need those strong people skills.”

Katzenberger said BBS also helped him learn to identify the dynamics of

real-world politics. He said he thinks the relationships between real-world state legislators closely resemble the relationships BBS legislators form over the course of the week.

The pressure to quickly form social bonds and establish a charismatic presence can seem daunting to citizens. But Katzenberger said those skills are crucial for navigating real-world politics.

“Badger Boys State is a really great crash course that forces you into a new society where you have to figure out how everything works in under a week. Honestly, it’s not that different from an actual state legislature where lawmakers sometimes act a bit too much like high schoolers.”

## AMERICA'S 250TH BIRTHDAY MARKED DURING OF '26 ORATORICAL CONTEST

The 89th Annual Department Oratorical Contest is scheduled March 28 in Todd Wehr Hall on the Ripon College campus with opening ceremonies beginning at 9:00 a.m. and the regional contest begins at 10:00 a.m. 12 high school students from throughout the state will be participating to win scholarships and to move on to the finals contest beginning at 12:45 p.m. the same day. These students have already won oratorical contests at the post and county level and placed either first or second at the district level. The winners from the regional contests participate in the finals contest. The overall winner from the 3 finalists will represent the Department of Wisconsin at the National American Legion Oratorical contest in Hillsdale, Michigan scheduled May 15-17. The winner of the National Oratorical contest wins a \$25,000 scholarship.

Students will each give 2 orations, one will be a prepared 8 to 10 minute oration on some phase of the constitution. The second oration consists of a 3 to 5 minute oration on a randomly assigned constitutional topic. There are 4 assigned topics and, because they are randomly selected, students must be prepared to speak on all of them.

America's 250th birthday will be celebrated with birthday cake during the lunch break between the regional and finals contests.

The Department Oratorical contest requires over 40 volunteers. We could not provide this great opportunity to students without the dedication of our volunteers. Many of our volunteers have worked at the Department Oratorical contest for several years and their dedication is very much appreciated.

Please join us at the oratorical contest to support the contestants and the program. Everyone is welcome. If you are a spectator, you can purchase a lunch ticket on site. If you are interested in volunteering at the contest, please contact Sheri at Legion HQ.

## THANK YOU FROM NATIONAL AMERICAN LEGION COLLEGE GRADS

Rosanna Bogle and Jerry Hook are so grateful for the opportunity to attend The National American Legion College in Indianapolis in November. We were so fortunate to have such an awesome week with 54 colleagues from the other 54 Departments.

National Legion College has changed over the years to keep pace with the times. The curriculum centered around Servant Leadership. National American Legion College Dean, Mike Rohan, and National American Legion College Chancellor, Past National Commander Dan Seehafer were instrumental in making the College the best experience possible. The Dean and Chancellor brought in the best of the best as instructors. Students were involved, and engaged, even applying servant leadership characteristics serving others in the course.

Veterans Strengthening America comes from leaders in our American Legion serving others.

On behalf of myself and Rosanna Bogle I truly want to say thank you to the Department of Wisconsin for sending us to the National American Legion College.

Jeremy Mason for Detachment Commander

Sons of The American Legion Detachment Vice Commander Jeremy Mason has announced his candidacy for Detachment Commander of the Sons of The American Legion – Department of Wisconsin.

His connection to The American Legion began long before he held office. It began when he was sponsored to attend Badger Boys State. That experience showed him firsthand what this organization stands for; leadership, service and responsibility to something larger than oneself. That early investment shaped his respect for this organization and for his continued involvement.

Jeremy is a graduate of the Wisconsin American Legion College Basic, Intermediate and Advanced Courses. He has had the honor of serving in the SAL at every level from squadron adjutant and commander of Juneau Squadron 15, District 2 Commander, and Detachment Vice Commander for Districts 2, 6, and 9. These roles have provided Jeremy with a practical, ground-level understanding of what the squadrons need and where the Detachment must improve to be effective.

His focus is straightforward: embrace traditions while creating real traction to move the team forward. Tradition matters, it is the foundation of credibility and purpose. But tradition without momentum stalls progress. If elected, Jeremy will work to ensure that the programs are not only preserved, but strengthened, visible, and producing measurable impact for the veterans and communities that we serve.

Jeremy’s priorities include:

- Reliable, consistent support for squadrons across all districts.
- Membership growth and retention driven by engagement and relevance.
- Leadership development to ensure continuity and accountability.

Forward progress in veterans’ service programs with clear goals and follow through.

Jeremy’s commitment to the Sons of The American Legion is both a responsibility and a legacy. He proudly honors both of his grandfathers’ military service by continuing the work they helped make possible – service rooted in duty, stewardship, and respect for those who served before us. Wisconsin’s Detachment needs disciplined leadership that respects our past while moving decisively forward. Jeremy is prepared to provide that leadership.

*John W. Edelblute IV for Department Vice Commander*

Greetings Fellow Legionnaires,

My name is John W. Edelblute IV, and I am seeking the office of Department Vice Commander for the 2026–2027 term. I would be honored to have your support.

I served honorably in the United States Army from 1984 to 1988, stationed at Fort Hood, Texas, and Rhein-Main Air Base, Germany. That service laid the foundation for my life-long commitment to Veterans and to The American Legion.

There is much work to be done at both the Department and National levels. The importance of the \*\*Four Pillars of The American Legion—Veterans Affairs & Rehabilitation, National Security, Americanism, and Children & Youth—\*\*remains as vital today as ever. Equally important is membership growth and retention, the lifeblood of our organization. If elected, I am ready and committed to helping advance this mission.

I have been an active Legionnaire for 28 years, serving at every level of the organization. Currently, I serve as Adjutant and Historian of the 4th District and am an Honorary Life Member of Post 434. At the Post level, I have served as Post Commander and Vice Commander at Posts 27 (South Milwaukee) and 434 (Oak Creek). During my tenure as 1st Vice Commander and Post Commander at Post 434, we achieved 100% membership.

At the District level, I have served in every role from Sergeant-at-Arms through District Commander. I am also a Past Milwaukee County Commander and was honored as the 2008 Milwaukee County Commander of the Year.

At the Department and National levels, I currently serve as Scouting Chairman on the Americanism Committee and have previously served on the National Homeland Security, Children & Youth, Veterans Affairs & Rehabilitation, and Legislative Committees. I am a graduate of both the Wisconsin American Legion College and the National American Legion College, Class of 2005.

Beyond The American Legion, I am a member of Voiture 1519 of the Forty & Eight. I am employed as a VAVS Representative at the Clement J. Zablocki VA Medical Center. Professionally, I am the Assistant Hospital Service Coordinator for the DAV Transportation Network, coordinating transportation for Veterans to and from the Milwaukee VA.

Community service has always been important to me. In addition to the American Legion, I have earned the rank of Eagle Scout in 1983 and continue serving through the Oak Creek Lions Club and Masonic Lake Lodge #189.

I am grateful for the support of my wife Sandra (“Sam”), my family, and my Legion family. I believe in our proud heritage and our future of service. I look forward to serving TOGETHER.

For God and Country, John W. Edelblute IV

*Scott Markle for Department Vice Commander*

Past 12th District Commander Scott Markle has announced his candidacy for the high office of Department Vice Commander of The American Legion, Department of Wisconsin. Scott earned his eligibility for The American Legion by serving 20½ years of active duty in the United States Air Force. As an Air Force Officer, he served on different occasions as Flight Commander and once as Detachment Commander in Colombia, South America.

Scott has fully supported The American Legion at different levels. He has been a Member of the Richard I. Bong Post #435 in Superior, Wisconsin for over 15 years. Scott has served as Post Public Affairs Officer and Americanism Chairman including being a Member of the Post Honor Guard and Color Guard. Recently, he was elected the Douglas County Commander and assists the Douglas County Finance Officer. As 12th District Commander, Scott achieved 100% Membership Goal. Additionally, he is a Department Membership Committee Member. At the National Level, Scott was a National Security Council Member and presently a National Foreign Relations Committee Member.

Scott is a graduate of the Wisconsin American Legion College and is presently an Instructor for the College. He also has the distinction of graduating from the National American Legion College in Indianapolis, Indiana. Scott also holds Membership in ANAVICUS and the Military Officers Association of America (MOAA).

Scott is very proud to be a Member of The American Legion and wholeheartedly advocates its Four Pillars. Most noteworthy, he is very passionate promoting its Youth Programs. Scott takes every opportunity to endorse these many programs at his Post, County and District. Without a doubt, as Department Vice Commander, he will continue to espouse these ideals throughout the Department of Wisconsin. A top priority for Scott will be to train our Members utilizing the Basic Training Course and to encourage as many Legionnaires as possible to enroll in the Wisconsin American Legion College and beyond.

On a personal level, Scott holds a Bachelor of Science Degree in Elementary Education and a Master of Education Degree in Teacher's Education. He is married to Patricia (Voigt) Markle of Grand Rapids, Minnesota for over 44 years. They have two daughters, Elizabeth and Amy and a grandson, Jordan.

With the full endorsement of his Post, Scott asks for your vote and support during his candidacy as Department Vice Commander. Together we can and will propel our awesome organization, founded 1919 in France, to even greater heights. Thank you.

**Scott Markle**  
Past 12th District Commander

*Deborah L. Thomas for Dept. Vice Commander*

My name is Deborah (Debbie) L Thomas, presently serving as the 1st Vice Commander of Post 539 and a past Department Vice Commander, and I respectfully request your support in announcing my candidacy for the high office of Department Vice Commander.

My eligibility for The American Legion is from 24 years active-duty service in the United States Air Force. I am a 31-year member of The American Legion and a 15-year PUFL.

I am a member of the Madelyn LaCanne Post 539 in Green Bay, one of two all-women American Legion Posts in Wisconsin. I have served as the Post Sgt-at-Arms for two years, Post Historian for four years, and Post Adjutant from 2006-2019, assisting in the Post attaining a 100% membership from 2015-2019. I also serve as a member of the Post Color Guard.

I am a graduate of the Wisconsin American Legion College, and a recent addition to the staff of the College. I have active membership in VVA, ANAVICUS, DAV and AMVETS (Post Commander).

In the past I served as a volunteer docent of the Palm Springs Air Museum, CA, providing tours and descriptions of aircraft on display. One of my most memorable projects was developing a program on the service of women during World War II, both civilian and military. I am proud to volunteer at Unity Hospice and visit those veterans under hospice care.

While on active duty status, I never really thought much about the future and how I would fit into the future outside of the military. Since my involvement with The American Legion, my vision has changed. I believe in assisting Veterans and in training future leaders of the Legion. Not to share our knowledge is to stunt the growth of our organization.

It would be my greatest honor to serve as your Department Vice Commander, again and work for you.

## FOUNDATION POURED FOR VIETNAM MEMORIAL WALL

This Vietnam Veterans Memorial Wall in Watertown was poured on Veterans Day, 11/11/25 and finished this portion about 11 a.m. It took approximately 200 yards of concrete. 140 yards was poured in one day using a pumper truck and about 16 truckloads of concrete. The Wall is about the length of a football field including the end zones. It is one of the largest mobile walls that will be permanent north of St. Louis. It's 80% the size of the one in Washington, D.C.

The anodized aluminum wall with the engraved names will be attached to the concrete this spring. That will be followed by the sidewalks, lighting, security cameras and landscaping. Lots to do before the dedication ceremony on Memorial Day in May 2026. This is a major project with a budget of \$400,000.

## WISCONSIN DEPARTMENT OF VETERANS AFFAIRS

Greetings Legionnaires! We are now nearly two months into the new year, which marks the 250th anniversary of the birth of our nation. WDVA has been busy hosting events leading up to the official Semiquincentennial Celebration on July 4th, and Secretary James Bond graciously offered up his column space this month to me so I can tell you a bit about what we've done and what we have planned. The whole team at the Wisconsin Veterans Museum is excited by the opportunity this 250th anniversary offers to highlight the role our military, and especially Wisconsin veterans, has played in protecting and shaping our nation since its founding. The celebration will culminate on July 4, 2026, as our nation will commemorate the 250th anniversary of the signing of the Declaration of Independence.

This is not just about what happened in the 13 colonies, or what happened in 1775, 1776, or the years leading to 1783. Rather, it is about the national journey that started during those years and continues to this day, as we continue to build a more perfect Union.

As Chair of the Wisconsin Commission for the United States Semiquincentennial Commission which was established by the Legislature in 2021, I have had the honor of collaborating with Wisconsinites across the state, including state, Tribal, and business leaders. We are joining hands across Wisconsin – from Superior, to Milwaukee, and everywhere in between – united in our commitment to ensuring that everyone has the opportunity to be part of this historic milestone.

Last year, we marked the 250th birthdays of the U.S. Army, Navy, and Marine Corps. These and other successful events created momentum for 2026, and we are finalizing plans for Madison and elsewhere in the state. Please stay tuned for more information, which we will share when it becomes available at [wisvetsmuseum.com](http://wisvetsmuseum.com) and [wisconsinhistory.org](http://wisconsinhistory.org). Additional information on the national America 250 effort can be found at [america250.org](http://america250.org).

I hope that on your next visit to downtown Madison, you can stop by the Wisconsin Veterans Museum to see our ever-changing, expanding exhibits of veteran stories. Our next special exhibit, a partnership with PBS Wisconsin, just opened and will be up all year.

As always, I am grateful to the Legion and the Auxiliary for their excellent work supporting veterans across Wisconsin.

## DEFOREST POST 348 RECOGNIZES PAIR OF EXEMPLARY EDUCATORS

At the DeForest Area School Board meeting on January 12, DeForest Olson-Grinde-O'Donnell Post 348 formally recognized two exemplary educators. Post Commander Jim Skelton, accompanied by members Bill Ridgely and Dick Snortum, honored Charlene Chopin as the Post's Educator of the Year. Additionally, Amy Jambor was commended for her outstanding service and dedication to American Legion programs.

Chopin serves as a music educator at DeForest's Harvest Intermediate School, where she instructs students in grades 4 through 6. Raised in a family with a distinguished military background – both parents served in the United States Armed Forces and were active members of The American Legion – she has consistently demonstrated her commitment to honoring veterans. Chopin established Veterans Day assemblies and concerts across all five school districts in which she has taught. Additionally, she has volunteered at five separate American Legion posts and has performed at a national Legion convention. She is highly regarded for her unwavering advocacy and support for veterans and their initiatives.

Bill Ridgely, Amy Jambor, Dick Snortum, Charlene Chopin, Jim Skelton.

Jambor is the social studies department chair and an English teacher at DeForest Area High School. She leads high school juniors through a semester-long, hands-on government course that challenges them with legislative simulations – much like those in Badger Boys and Girls State – which serve as a natural introduction to those programs. In addition, she played a key role in reviving the Veterans Day assembly at the school and revitalizing the post's Constitution Oratorical Scholarship program.

Both exemplary educators demonstrate a strong commitment to fostering their students' growth and development as responsible citizens, reflecting positively on the DeForest Area School. They were honored with a post challenge coin in recognition of their contributions.

## VETERANS SERVICE OFFICER

## ASSISTANCE WHEN REQUIRED

James Fialkowski  
Department Veterans  
Service Officer

It would be magical to have the answer to everyone's problems. Sadly, this is not realistic. As a veteran or family member, having a local resource to assist or to provide directions to someone who may be able to assist is the best for which we can hope.

The main local resources would be your county veteran service office (Usually referred to as CVSO), tribal veteran service office (Usually referred to as TVSO), and local posts (Normally the duty to assist rests on the Post Service Officer).

Your county veteran service office and tribal veteran service office assist with county, state, and federal benefits. Their contact information is available at this website, <https://wicvso.org/locate-your-cvso-tvso/> or you can call their association toll free number: 1-844-WIS-CVSO (947-2876). Note - This number is not manned, but the voice-mails will be directed to appropriate person for response.

The Post Service Officer is an important piece in the foundation of The American Legion. They're a vital

link in the American Legion's nationwide network of volunteer and professional Service Officers.

Your local Post Service Officer has knowledge of these benefits as well as having access to their post's available assistance. They will provide service to you or direct you to the correct person for assistance.

A Post Service Officer's level of knowledge and effectiveness can determine how well a veteran or family member receives assistance. This is why classes are provided at each of our Midwinter Conferences. We are working on starting a new training program to enhance the Post Service Officer's knowledge of local resources. For your local post contact information, go to The American Legion website, <https://mylegion.org/PersonifyEbusiness/Find-a-Post> or call the Department Headquarters at 608-745-1090 or our Department Service Office.

## DEPARTMENT CHAPLAIN

## THE BENEFITS OF A GRATEFUL HEART: REFLECTIONS ON PSALM 103:1-5

Virgil Smith  
Department  
Chaplain

Psalm 103; serves as a profound "to-do list" for the heart. Rather than waiting for external circumstances to spark joy, the Psalmist David takes an active approach, commanding his own heart to **"Bless the Lord."** This passage is a powerful reminder that gratitude is not just a feeling, but a spiritual discipline that redirects our focus from our problems to God's character.

**Waking Up our Hearts:** The passage begins with an internal call to action: *"Bless the Lord, O my soul; and all that is within me, bless His holy name!"* David recognizes that the heart can often become sluggish and distracted by the stresses of everyday life or the routine of daily life. By telling his heart to "not forget the benefits of God," he acknowledges a human tendency toward spiritual forgetfulness. We are quick to remember our grievances and slow to remember God's grace.

**The Five-Fold Gift of God's Grace:** In Psalm 103 the psalmist lists a sequence of "benefits", that covers every aspect of the human experience:

- **Forgiveness:** He *"forgives all your iniquities."* This is the starting point—the removal of the barrier between the Creator and the created.
- **Healing:** He *"heals all your diseases."* Whether physical, emotional, or spiritual, God is presented as the Great Physician.
- **Redemption:** He *"redeems your life from destruction."* This speaks of protection and being bought back from the brink of despair or spiritual death.
- **Honor:** He *"crowns you with lovingkindness and tender mercies."* We are not just rescued from our troubles; we are treated as royalty in His kingdom.
- **Satisfaction:** He *"satisfies our life with good things."* In the context of Psalm 103:5, the phrase **"so that your youth is renewed like the eagle's"** is often interpreted as a promise of spiritual and physical restoration.

**A Promise of Renewal:** The Psalmist concludes with the beautiful imagery of our youth being renewed. Isaiah 40:31; *"But those who wait upon the Lord will renew their strength; They shall mount up with wings like eagles, they shall run and not be weary, they shall walk and not faint"* This suggests that a life lived in the rhythm of praise and recognition of God's goodness results in a "second wind." When we stop carrying the weight of our own shortcomings and worries and instead "crown" ourselves with His mercies, we find the energy to soar once again.

The Psalmist invites us to look upward and inward. By intentionally recalling God's track record of faithfulness, we find that our current strength is replenished, and our hope is firmly anchored in His lovingkindness.

## CAMP AMERICAN LEGION

### THE APPLICATION PROCESS FOR CAMP AMERICAN LEGION

**Jim Klement**  
*Camp American Legion Director*

While winter still has a steady grasp here at Camp American Legion, the planning for the 2026 is in full swing. The 2026 schedule is set and applications are being processed. We have had many new Wisconsin Veterans and family members apply this year and it will be another great year for Camp American Legion.

What are the requirements for staying at Camp American Legion?

There are two requirements that are needed to attend camp. The first, you have to be a Wisconsin resident. Second, you have to either be actively serving or honorably discharged veteran from one of the branches of the Armed Services. Once those requirements are met, the veteran, significant other and dependent age children can attend.

How do I apply to attend Camp American Legion?

Within the last 5 years camp has made the application process smoother and more efficient. Go to the Wisconsin American Legion website or [www.campamericanlegion.org](http://www.campamericanlegion.org) to find the Camp Schedule. Look at the schedule and find a week that you qualify for. There are some weeks that just for VA programs, Women Veterans and other organizations that not everyone would be eligible for. Then fill out the 2026 Camp Application and send the two supporting documents (proof of WI residency and proof of service) either by regular mail or email (the email is on the bottom of the app). Once we receive it, you will get an email stating that your application was received. Then as we process the application, you will receive another email stating your confirmation that you are accepted for the week requested.

What is the timeline to apply to Camp American Legion?

Camp American Legion starts accepting applications starting on 1 November. We will publish the Camp Schedule and the new application on the website. We will accept applications all through the camp season. If you are a veteran that has never attended camp and you apply between November 1 and December 31, you will have priority and will be placed before those that have attended camp before. On January 1, we then slot all new veterans and then slot others based on date the application was received at camp.

If any veteran has problems with the application or any issues, they can call camp and we will walk through the entire process. We try to make the process as easy and fair as possible so all Wisconsin Veterans have a chance to stay at Camp American Legion.

# WINTER POST 303 HOLDS ORATORICAL CONTEST

Winter High School tenth grader, Ethan Rackouski, has won the American Legion Oratorical Contest held at the Winter American Legion Post 303 on November 10, 2025. He delivered a prepared oration as well as an oration on a randomly assigned constitutional topic, Article 3 of the U.S. Constitution. Ethan impressed the judges with the way his speech was presented and his knowledge of the Constitution with his speech titled A Nation Built on Freedom.

The American Legion Oratorical Contest exists to develop a deeper knowledge and appreciation for the U.S. Constitution among high school

students. Since 1938, the program has presented participants with an

academic speaking challenge that teaches important leadership qualities, the history of our nation's laws, the ability to think and speak clearly, and an understanding of the duties, responsibilities, rights and privileges of American citizenship.

Ethan was awarded a total of \$300.00, from the Winter Post and the Sawyer County American Legion, and will go on to compete in January against winners from 6 other counties in northwestern Wisconsin for further cash prizes. This provides him an opportunity to compete for a \$25,000 scholarship at the National level.

## DEPARTMENT HISTORIAN

The Midwinter Convention, long known for its emphasis on training, could be thought of as "Training Saturday."

Leading up to our Training Saturday, several mini sessions had been offered. On October 6, 2025, at National Headquarters, National Historian Deborah "Deb" Davis conducted an excellent tutorial on making great yearbooks and one-year histories. Those in attendance were expected to pass on this information in turn to all Legionnaires who function as their organization's Historian. Please look at The American Legion "2025 Historian's Guide" for specific guidelines. There's a copy on the "resources" tab of the Wisconsin Historians Association website (talwha.org). Your 2025-2026 Yearbook is due to the Department by June 1, 2026, regardless of whether it is in digital or print format. At the National Conference, the National Yearbook Showcase will highlight each winning yearbook chosen by the Legion Departments. Now's the time to get cracking on your yearbook!

If you attended the Wisconsin Historians Association Training Saturday session on creating indexes and tables of contents using Microsoft® Word®, you would have learned how to ensure you get as many of the 15 points (15% of the total) available for proper and complete indexing.

Yearbooks are often the first things members bring out when welcoming potential new members. They tell our story at a glance and convey our pride in the service we provide. It's vital to compile these "welcome documents" at the end of each term.

This has also been a great year for anniversaries, such as the 250th anniversary of the service branches, for example.

If your post is continuing the traditional "cut-and-paste" method, wonderful—keep that tradition alive.

Whether your yearbooks are digital or in print, please put in your best effort.

## LEGISLATIVE CHAIRMAN

The Legislative committee had a very active and productive Midwinter. Among the many topics of discussion during the Legislative meeting, as well as our first Midwinter legislative training class, were:

1. Wisconsin Senate Bill 617. Wisconsin is the only state or territory in the nation that does not close government offices in recognition of Veterans Day. This legislation designates November 11 a state holiday when state offices are closed.
2. Wisconsin Senate Bill 411. This legislation requires the University of Wisconsin Board of Regents to provide funding for the University of Wisconsin Missing-in-Action Recovery and Identification Project. It further proposes that the state of Wisconsin provide funding for the Veterans Housing and Recovery Program, and reduce the eligibility threshold (from 100% to 80%) for some veterans and spouses under the Veterans and Surviving Spouses Property Tax Credit.

These programs were included in the Governor's biennium budget (2025-2027) with slight differences. The Governor's budget proposal expanded the Veterans and Surviving Spouse Property Tax Credit to 70%, provided funding for the UW MIA Recovery and Identification Project, and the Veterans Housing and Recovery Program through the State of Wisconsin. All three of these programs were removed by the finance committee before the Budget was signed into law.

3. Wisconsin Senate Bill 38. This bill exempts special group plates for gold star families from the personalized registration plate fee. This bill has passed and will take effect on June 1, 2026.

Contact your legislators and encourage them to support these initiatives. There are numerous competing bills in the state of Wisconsin, and amendments to these bills are frequently introduced. We encourage you to focus on the topic that you are advocating for. Remember to stay nonpartisan; veterans' legislation is not and should not be a partisan issue.

To find who your legislators are, go to <https://maps.legis.wisconsin.gov>. Type in your address, and this will bring up your Wisconsin State representatives along with their contact information.

The Legislative Committee is working to establish a legislative chair in all 12 American Legion Districts in Wisconsin. We encourage you to contact your district if you would like to participate in the Wisconsin American Legion Legislative program.

## VETERANS DAY AT LACONIA ELEMENTARY SCHOOL

For many years the Brandon American Legion Post 378 hosted their Veterans Day celebration at the Brandon Elementary School. That school has now closed, so the celebration was moved to the Laconia Elementary School. Jim Otto of Post 378 has been the event planner for many years. He is now 93 years young and is turning over the event planning to the local VFW Post.

This year, Lt. Governor Sara Rodriguez was the keynote speaker. Each veteran who attended the ceremony was given a gift bag. Lt. Governor Rodriguez took the left-over gift bags to the Governor's mansion to hand out to Veterans who attended a ceremony there.

There were other speakers at the ceremony to include Congressman Glenn Grothman, Lieutenant Colonel Jonathan Doiron, and Specialist Josephine Parent.

The Laconia Spartan Band, the middle school choirs and band and the elementary students performed patriotic songs.

The ROTC Fox Valley Battalion posted and retired the colors.

## LARSON TOYS FOR TOTS

Tom and Deb Larson pulled up to Legion Headquarters with a trailer loaded with new unwrapped toys for the Toys for Tots campaign. Tom and Deb have experienced great loss of children and grandchildren to include Mikey Larson, Angela Larson, Michelle Zarnoth, Brady Alexander, and Brent Erickson. The Larsons do this to honor the memory of their lost loved ones.

Their generosity will bring smiles to the faces of hundreds of children on Christmas Day. This year they donated 1,104 toys.

Deb has already started shopping for next year.

May God bless the Larson family for all they do for children that they will never know or meet.

## MAZOMANIE TURKEYS

The Mazomanie American Legion Greening – Buelow Post 437 recently donated fifteen Thanksgiving turkeys to the Mazomanie Community Food Pantry. The Post has done this worthy donation for many years. Pictured with the turkeys are Post members (l-r) Phil Haas, Erland Niendorf, Paul Maier and Richard Royston.

## DEPARTMENT MEMBERSHIP

**Jerry Hook  
Membership Chair**

Thank you to everyone for serving our Veterans. Thank you for working so hard to recruit and retain members in the American Legion, Department of Wisconsin.

As we continue to work on our Membership for 2026, remember that we are providing tools each week to assist Posts. Use the Best Practices; they have proven successful for Posts across the Department. If you have to modify things to make it fit your Post please do.

Please return to the Basics:

- When you see a Veteran or Service Member ask them to join our great organization.
- Buddy Checks show that we care about our members.
- Be The One for all Veterans and Service Members.
- Mission, Purpose and Relevance - Why we join and

usually why we stay.

- Retention is critical; our members joined for a reason.
- Calls, and visits to our Veterans / Service Members / Members and their families mean the world to each of them.
- Make the Membership Calls.
- Recruiting is not a one person job, we should all be able to tell people what the American Legion does at the local, Department, and National level.

- Please support our Service Members and families.
- Reach out to the 2930 Members in your local area.
- Please review the best practices and events in the Department of Wisconsin Membership Annual Plan.

Our Members / Service Members / Veterans and families deserve our best. We will continue to ask people to join and we will continue to reach out to current members to retain them.

## MEMBERSHIP

### LET'S TALK HONORARY LIFE MEMBERSHIP

Honorary Life Membership (HLM) is a way for units to honor members who have given outstanding service to your American Legion Auxiliary unit. HLMs are paid by the unit and the members are often elderly or nursing home bound. Your unit sets the parameters. It could be any member aged 85 or older; it could be any member who lives in a nursing home. HLMs may have been very active members before their health or age prevented them from attending meetings or working the programs. HLMs are not transferable between units, nor do they receive membership renewal notices. The unit is responsible for paying the dues annually for HLMs.

How can your unit raise money to pay for these memberships? Set aside a percentage of your earnings from your fundraisers to pay for HLMs or host a fundraiser to raise money strictly for HLM memberships. Maybe have your juniors host a bake sale where the funds are used to pay for these memberships.

It is a kind and beautiful way to honor members who have given so much to your unit in the past.

### Wisconsin Membership

As of January 21, 2026, Central Division is in first place in membership. Wisconsin holds second place within the Division, and

## 2025 CHRISTMAS GIFT SHOP: IT'S A WRAP!

Department President Sue Hembrook, National President Pam Ray, Christmas Gift Shop Supervisor Diana Sirovina.

### Diana Sirovina Gift Shop Supervisor

As the beautiful Irving Berlin song says, "I'm dreaming of a white Christmas." Such a beautiful, memorable song, my all-time favorite! A white Christmas is something many people actually enjoy. Unfortunately, it is not something we look forward to for Christmas Gift Shop wrapping day!

Wrapping day brings together a group of very dedicated members to take on the task of wrapping the numerous gifts our veterans in long-term care facilities selected for their loved ones. This year's wrapping day had its fair share of interesting things happening. First, there was the date change from Sunday to Monday, due to scheduling conflicts. Next, there was the snow! That beautiful, idyllic, fluffy gift from Mother Nature proved to create a challenge for those talented people who drove many miles to participate.

As is typical of our dedicated members, twelve inches of snow did not deter them from creating another memorable wrapping day! We were privileged to host a special guest this year. National President Pam Ray managed to navigate her way from Illinois with her husband, SAL Past National Vice Commander Harl Ray. Pam helped us wrap the nearly 600 gifts and had a great time doing it.

Although the end of the program this year didn't necessarily go according to plan, our Christmas Gift Shop program, once again, was very successful. As we visited with the veterans when we helped them select their gifts, we could tell by the smiles on their faces that this program means so much to them.

### National President Pam Ray.

Each year we receive letters and notes from family members expressing their thanks – not only for the gifts they receive but to our organization for making this program available to their veteran in the care facility. Many tell us the gifts were very unexpected. Others say receiving the gifts bring back wonderful memories of times when their families were all together for the holidays.

As we conclude the Christmas Gift Shop program for the year, it is important that we acknowledge the tremendous financial support the program receives from our members. Without that generosity, the program and its impact would not be possible. Thank you for your continuing support of this great program!

When you call the meeting to order, what is the first item on your agenda? *It should be your prayer then the Pledge of Allegiance. Why? Because it is God before Country.*

Do you include music in your meetings? You do not have to be a great singer, usually it only takes one person to start, and the rest will follow. It is also an effective way to involve more people in the program and add some FUN! You can switch the songs up. Here are a few suggestions: The Star-Spangled Banner, America the Beautiful, and God Bless America. For something a little more modern, include Born in the U.S.A. by Bruce Springsteen or God Bless the U.S.A. by Lee Greenwood.

**“God Bless the U.S.A.”**  
by Lee Greenwood:

If tomorrow all the things were gone I worked for all my life  
And I had to start again with just my children and my wife.  
I thank my lucky stars to be living here today  
‘Cause the flag still stands for freedom and they can’t take that away.

And I’m proud to be an American where at least I know I’m free.  
And I won’t forget the men who died who gave that right to me.  
And I’d gladly stand up next to you and defend Her still today  
‘Cause there ain’t no doubt I love this land. God Bless the U.S.A.

Let us Pray.  
Lord, teach us to be generous with what we have, help us to give with a joyful heart and to trust that You will provide for us in return. May our generosity reflect Your love and grace. Amen.

**Special Request:**  
Please help me make an incredibly special Prayer Book for President Sue Hembrook by sending me prayers, poems, and inspirational pieces. The 2026 Midwinter Conference was very successful! Over 520 Legion Family members registered to attend, including more than 130 Auxiliary members! This is the highest attendance since COVID. Auxiliary members had the opportunity to attend: 1) a joint session with the Legion, SAL, ALA, and Legion Riders on how to work better together; 2) a joint session on how to improve Public Relations for the Local Legion Family; and 3) an ALA session on the new online annual report process. A parade of checks was held that raised more than \$2,400 to support our VA hospitals and Veterans Homes. Thank you to everyone who participated!

The national organization mailed final dues renewal notices by February 1. If you received a notice but think your dues were paid, please verify with your Unit Membership Chairman that your payment was transmitted to department headquarters. If you have not renewed yet, you can be immediately reinstated by paying the national organization with a credit card (317-569-4570 or www.ALAforVeterans.org). As a reminder, if your membership has lapsed, you must pay 2026 dues before you can pay prior back dues.

Members should be proud of all they accomplished and report it to their Unit President by April 1st. Unit presidents will consolidate the information and submit Unit Year-End Reports by April 15. Unit Impact reports must be submitted to the district presidents. Program reports may be submitted online to the Department Chairmen via the department website – saving on printing and postage.

# EDUCATION

**Delores Woolf**  
Department Chairman  
deloreswoolf@gmail.com  
608-348-7403

New Year’s greetings to all ALA units in Wisconsin. Following our summer and fall activities in communicating with local school needs and promoting scholarships at the local, department and national levels of the ALA, it is time to continue working our Education program. Look ahead to the March 1, 2026 deadline for the national scholarships: Children of Warriors, Spirit of Youth, Non-Traditional Student, and Member Loyalty. These scholarships have online applications with information for eligibility requirements, completion details, and how to submit the applications to the national organization.

Department scholarship applications are online with a pdf to download, complete and submit to the local ALA unit for the president or secretary to sign. These are due from students to the unit by March 1, 2026 and to the Department Education Chairman by March 15, 2026. The turnaround time is quick so it is best to get it done earlier. Have applicants read directions carefully and if they have questions, please feel free to contact me. All of these

applications are available at [www.amlegionauxwi.org/education-mlw](http://www.amlegionauxwi.org/education-mlw). The beauty of the department scholarship form is that the applicant completes the personal information page and indicates which scholarship opportunities apply to them.

The M. Louise Wilson Loan Fund application is online as well. This is an interest-free loan for students who are ALA members and requires a co-signer. The loan is paid back in workable installments after graduation or if the student leaves school. Thank you to all units who have made monetary donations to the M. Louise Wilson Loan Fund.

Units should download the Give 10 to Education suggested donation and track monies and materials given for their Education program. This includes unit scholarships and other activities that support education in the community. Be sure to partner with community organizations, encourage word of mouth referrals, use social media platforms, and advertise in local media (tv, radio, newspaper).

Other important times for the Education program are Purple Up! Day for military children on April 15, 2026 and Teacher Appreciation Week from May 4-8, 2026. Above all, complete your annual reports on time so information can be incorporated in the department reports. Let's all be part of the village to raise the child by promoting our ALA programs.

**HAPPY NEW YEAR!** At this time of year everyone is setting goals for the start of the new year. What about setting a goal for your unit? One idea is to participate and sign up for the **AMERICAN LEGION USA 250 CHALLENGE**.

- Write 250 cards to nursing home residents.

To register for the challenge, visit <https://www.legion.org/get-involved/community-programs/usa250/challenge>. You can also register as an individual which doubles the impact.

Here’s to a successful new year working Community Service.

## JUNIOR ACTIVITIES

**Christine Johnsen**  
**Department Chairman**  
**cmj102@aol.com**  
**715-203-2015**

**Morgan Johnsen**  
**Vice-Chairman**

Thank you to everyone who supported the Juniors at the Midwinter Conference by purchasing KwikTrip cards and honor buttons! Your support is greatly appreciated as we work toward our goal of purchasing four kayaks for Camp American Legion. You can continue to purchase Kwik Trip cards and personalized honor buttons through the form or Zeffy link available on the Junior Activities program page on the department website.

Once again, we will hold our **Department of Wisconsin Junior Activities Spring Conference at Camp American Legion!** It will be held on the weekend of May 15-17, 2026. Hopefully it will be a little warmer and drier this year so we can do more outdoor activities. The official business meeting will be on Saturday, May 15, from 10:00 am to 3:00 pm in the main lodge. This will include the business meeting, election and installation of Honorary Department Junior officers, lunch, and a Camp

American Legion service activity.

We can also stay overnight at Camp for the weekend! All campers will sleep indoors in a cabin or the main lodge. The weather will determine our activities, but we anticipate several veteran service projects and Patch activities during the day and campfires at night. You can choose to stay one or both nights or only attend the Saturday business meeting. Please indicate these details on the registration form. Overnight campers should arrive no earlier than 5:00 pm on Friday, May 15, and everyone must depart Camp by 12:00 noon on Sunday, May 17. Registration for the conference and lunch on Saturday is \$10. There is an additional \$5 per night fee to help defray the cost of meals/snacks for those staying overnight. Meals will be served from the evening meal on Friday through breakfast on Sunday.

Registration forms must be received by **April 15, 2026**. Additional information, including what to bring, will be sent to all registrants by email, and will be available on the ALA Wisconsin website at <https://www.amlegionauxwi.org/junioractivities>, in May. As we work to Honor and Support Our Veterans, we look forward to seeing many Juniors at the Department of Wisconsin Junior Activities Spring Conference!

# AMERICANISM

**Deanna Farley**  
**Department Chairman**  
**farleyofsc@gmail.com**  
**920-810-2664**

The purpose of the Americanism program is to promote patriotism and responsible citizenship. We all should make ourselves and our community knowledgeable on flag history, etiquette, and proper disposal methods. We need to visibly practice and promote the observation of patriotic holidays so your community will look to our organization for information.

Respecting our American flag is an activity that has been taught to us for many years. The proper promotion of our flag may be difficult if there are no activities in place. You can distribute ***Proper Flag Etiquette*** pamphlets or have them available in strategic places in your community. If possible, have a specific location in your community to have American flags available to purchase. If allowable, have a sign on their bulletin board with details of the cost of a flag, how to properly attach flag to a pole, building, etc. If possible, advertise in your local media the availability of where flags can be purchased. This may involve some follow-up or long-term involvement to keep the program in place. Ask your Americanism committee to volunteer to help with this project. An important part of Americanism is promoting our flag!

A large part of our ALA Americanism Program is the Americanism Essay Contest. This year's topic is "Celebrating America's 250th Birthday and the Veterans who Fought for Our Freedom." The information for the essay contest should have been distributed to your local schools already. On the Department of Wisconsin website, go to the Americanism Program. There are three bullet points about the essay contest. The first bullet point has all of the information you need, including the cover sheet which must accompany each essay contest entry. Each unit's winning essays must be submitted to me by March 15, 2026. My mailing address is listed on the submission form.

There is a wealth of information available on Americanism on both the ALA Department of Wisconsin website and the ALA National website. For answers to specific questions, you may email national staff at **[americanism@alaforveterans.org](mailto:americanism@alaforveterans.org)**.

## MAZOMANIE LEGION FAMILY HONORS MILITARY FAMILIES

Mazomanie Post/Unit 437 recently presented Blue Star Banners to recognize families with members serving in the military.

Mike and Dee Bass received a Blue Star Banner in recognition of their son, Sergeant Terrence Bass, currently serving with the US Army. Sergeant Bass enlisted in the Army on April 3, 2008, and has been deployed three times.

Shelley Drager and Phil Haas presented Amy and Jared Holcomb with a Blue Star Banner in honor of their son, Corporal Jonathon Holcomb. Corporal Holcomb's service in the US Marine Corps the past several years has focused primarily on embassy duties as a Marine Security Guard in both Tunisia and Kosovo.

## POPPY MAKING WORKSHOP

The Auxiliary hosted a workshop at the 2026 Mid-winter Conference for veterans interested in learning to make poppies for the ALA Poppy Shop. Brenda Tryba of Post 179 conducted the training for eight veterans. Pictured: Brenda Tryba and Post Commander Jeremy M. Carolfi of Brookfield Post 298.

Wisconsin is one of the few states that distributes traditional crepe paper poppies **made by Veterans**. Veterans interested in becoming a Poppy Maker for the Poppy Shop should contact Bonnie Jakubczyk at [wipoppyshop@yahoo.com](mailto:wipoppyshop@yahoo.com). Veteran poppy makers earn \$100 per completed poppy kit. All materials are provided by Department.

## POPPIES

Thank you to everyone who submitted poppy orders by December 15. Poppies are sold out but current orders will be filled in the order received.

**New orders will not be accepted until August 2026.**

## POPPY POSTER CONTEST

**Kathy Grom**  
Department Chairman  
[kathy.grom@gmail.com](mailto:kathy.grom@gmail.com)  
414-331-0302

Students in grades 2–12 are invited to participate in this year's ALA Poppy Poster Contest. This annual event encourages students to honor U.S. veterans by creating original artwork featuring the red remembrance poppy. Posters must include a hand drawn red poppy, a slogan of no more than ten words, and the words "American Legion Auxiliary." All artwork must be original and created by a single student. Grade level categories range from grades 2 through 12, with a separate category for students with special needs. This is a wonderful opportunity for students to express creativity while learning the significance of the poppy as a symbol of military sacrifice.

### Timeline:

- February–March: Local contests announced in schools by the units.
- March–April: Posters due to local ALA units.
- April–May: District and department judging. The deadline for each unit to get their choices to Department is May 1.

- Summer: National winners selected.
- Judges evaluate posters based on artistic ability, originality, theme clarity and effectiveness, neatness and craftsmanship, and adherence to all official rules. The rules can be found on the national website. All entries must include the Poppy Poster Contest Cover Sheet.
- Please consider working this amazing program. Thank you.

## CANDIDATES FOR DEPARTMENT & NATIONAL OFFICES

Candidates for department or national offices must email their announcement (300-350 words) with head/shoulder photo to [deptsec@amlegionauxwi.org](mailto:deptsec@amlegionauxwi.org) by **Monday, March 16, 2026** for publication in the April issue of the *Wisconsin*.

**Nathan Bond**  
Department  
Commander

In sports history, very few individuals have successfully transitioned from being outstanding players to becoming excellent coaches. Fewer still have performed both roles at the same time with much success. Even one of the most noteworthy exceptions, Boston Celtics Coach Bill Russell, eventually traded his high-tops for dress shoes only.

In our Wisconsin American Legion Family, we don't really have a choice. Our leaders must make the transition from player to coach—from Commander to Past Commander. The health and future of our organization demand it. The American Legion has survived for over 100 years because we have, by and large, done this well. Our most successful Posts, Units, Squadrons, and Chapters are those where past officeholders actively work to make current officeholders—and therefore the Local Legion Family—successful. These leaders don't simply dump responsibilities on the next person, but they also don't try to rule from behind the scenes. They coach, mentor, and support.

The most important thing a leader does is develop future leaders. If, as the elected leader of your Local Legion Family (Post, Unit, Squadron, or Chapter), there is no one prepared to take charge after you, then you are not fully accomplishing the mission. Past Department Commander Karl Stuvengen's motto was,

DEPARTMENT COMMANDER

LEGACY FORWARD: FROM BEING A PLAYER ON THE COURT TO BEING A COACH ON THE SIDELINES

"Recruit the Next You!" He didn't mean just to sign up a new member. He meant to identify, encourage, and train members to take on leadership responsibilities. None of us will live forever, but the legacy of The American Legion must live on after us. To accomplish that mission, each of us needs to take a closer look at how we are—or are not—developing leaders.

That closer look must begin in the mirror. As a commander or president, am I trying to do it all myself? Am I delegating responsibilities to others? Am I allowing people to do things their own way, or insisting they do them my way? Am I open to new ideas, or do I think, "We've never done that before," and quietly quash the creativity of others? These are tough questions, and the honest answers are not always flattering. But they are necessary if we hope to see our Posts and Units thrive in the next generation.

I can already hear the objection: "But nobody else wants the job. If I don't do it, it won't get done." Developing new leaders is not just a science; it is also an art. Building people up takes time, patience, and intentional effort. Start people out with small tasks and help them grow into major roles and responsibilities. Leadership is rarely assumed overnight; it is usually cultivated over time.

And yes, it takes time and effort. Seeds don't grow unless they are planted. Relationships are the soil in which leaders grow, and no one grows into leadership without being coached. The best

coaches have genuine relationships with their players. They know their players' strengths and weaknesses. They know the challenges their players face both on and off the court. In the same way, the most "expensive" part of being a Legion leader ought to be your coffee or beer tab. Conversations with promising future leaders over a cup of coffee or a beer are vital to keeping the legacy of your Local Legion Family—and the legacy of The American Legion—alive.

So what do we do with this?  
For every Legion Family leader reading this, I ask you to do the following:

- (1) Ask yourself those tough questions—and make changes if you don't like your answers.
- (2) Identify members with potential, even if they don't see it in themselves yet.
- (3) Find a place that serves a good cup of coffee (or your social beverage of choice).
- (4) Invite that promising future leader out for a conversation.
- (5) Give or create opportunities for those future leaders to try, fail, learn, and succeed.
- (6) Help them find their own way toward success, not just your way.
- (7) Repeat steps 1 through 6.

If we commit to moving from being players on the court to being coaches on the sidelines, we will ensure that our Posts, Units, Squadrons, and Chapters remain vibrant and strong—not just today, but for generations to come.

**Sue Hembrook**  
Department  
President

Midwinter Conference has wrapped up as this article is being written. It proved to be a huge success. Attendance was the largest it has been since COVID and everyone there was engaged and ready to experience all that the conference had to offer. The interactions of the Family were highlighted in many of the classes and everyone added to the discussions on various ways the posts, units and squadrons can and are successfully working together for a common cause. Focus on the "mission" is the key to getting things done successfully.

The Auxiliary session was also very well attended. This session focused on the new online reporting method. Members were eager to learn of this new way of doing reporting online. It was amazing to see how this new process will make it so very much easier for units to submit their year end reports. More information will be available when it gets closer to reporting time. However, those in attendance realized the ease of this new process. Your department officers are ready, willing and able to answer any questions when it comes time to complete the forms.

Hospital tours are also happening at this time. It is so very rewarding to see the excellent care our veterans receive at our VA's and State Homes. Wisconsin is very fortunate to have so many facilities that serve our veterans and make care very accessible. The outpatient clinics around the state also provide services that help to make it easier and more affordable for our veterans to receive the health care services they require. Our facilities are staffed by exceptional health care workers and volunteers. It is truly amazing how compassionate and caring these dedicated people are that serve our veterans. It is almost as if they are caring for their own family members and that is evident in each and every one of our facilities.

Your generosity in providing material and financial donations to assist our volunteers and staff is phenomenal. Donations provide our veterans with the extras that make their stay more comfortable and enjoyable and are so very much appreciated. At Midwinter we had asked for cash donations for these "extras" and again you excelled. Approximately \$2,500 was collected to provide the extra toiletries, etc. that make our veterans more comfortable. Thank you, so very much! We will distribute these funds to each facility.

*"It's amazing what can be done when nobody cares who gets the credit,"* Harry S. Truman.

PRESIDENT'S MESSAGE

**Christopher Dannenmann**  
SAL Detachment  
Commander

Welcome aboard to all of our newest members and squadrons throughout the state. We currently have 7 new squadrons that have been chartered so far this year. Thank you for choosing the Sons of The American Legion to honor your family members who have served. Special thanks to all of the Post, District, Detachment, Blue cappers and dual members. Your selflessness dedication to The American Legion Family, its heritage and legacy shines because of YOU.

SAL DETACHMENT COMMANDER

'It is amazing what you can accomplish if you do not care who gets the credit.'  
— Harry S. Truman

Warm welcome to National Commander Bill Clancy to Wisconsin! As we enter into the coldest part of the year, Operation Comfort Warrior is in high gear all across the state. Whether you call it OCW, Operation Homeless Vets, Freez'in for a Reason or something else, our help is needed. Stop by a Squadron or Post and lend a hand to your comrades for those in need. This is also when Blood Banks and Food Banks are stretched to their limits. Our combined efforts can ease the burden of need and provide support to these vital organizations.

The ALF Dogs continue to be a favorite with each event we attend. We recently had three events scheduled in three different locations on the same day. Then, it snowed... a lot. Two of the events went well, handing out over 400 ALF Dogs. The third event in Milwaukee was not so lucky. Mother

Nature snowed-in our trailer and the plows ran behind schedule. It's Wisconsin- it happens.

Thanks to everyone that attended our Mid-Winter Conference and National Vice Commander Frank Meraz, Jr., for his knowledge, leadership and thoughtful words of inspiration. A special thank you to Leonard from Squadron 33 Neenah for his role as Assistant Chaplain.

You all have accomplished SO much- let's keep track of the difference we are making. Whether its Operation Comfort Warrior, Badger Boys State, Child Well-Being Fund, or a Blood Drive. Report all of your Squadron activities on your CSR's. Please send them into Detachment by June 1 so Congress can see what the Sons of The American Legion do to strengthen the Four Pillars of The American Legion.

Where there is a need, there is a Son.
