

WHY WALLECA?

Why is our Wisconsin American Legion Enforcement Career Academy (WALLECA) so important? Agencies across the State and even around the country are constantly in need of quality applicants entering the law enforcement field.

That's why Legion Wisconsin launched WALLECA, designed to provide first-hand experiences and insight into the operation of law enforcement agencies.

The program is exclusively for current Juniors and Seniors in high school who are in good academic standing.

THE PARTICIPANTS

The American Legion, Department of Wisconsin, along with their sponsors holds a Law Enforcement Center Academy open to 52 Wisconsin high school juniors and seniors who are in good standing. Students should also be of good moral character and possess a desire to learn about law enforcement professions. The program provides hands on experiences and insight into the operations of law enforcement agencies. The instructors are law enforcement professionals who are subject matter experts.

APPLICATION PROCESS

The American Legion, Department of Wisconsin will select, approve, and place students in the program.

Release of liability forms will require signature upon selection to the program.

Applications will be available the first Monday in January, online at wilegion.org/walleca with a deadline of March 31.

CADET TESTIMONIAL

"This past week I attended WALLECA. I was scared that it would change my opinion on wanting to become a police officer, but in reality, it showed me who I could be in the future. I got to meet the brightest, amazing women and men ever, and learned a lot about the field of law enforcement. Thank you for everything American Legion and Wisconsin State Patrol!"
