\_\_\_\_\_ American Legion and the Mount Horeb Community Service Organizations sponsored 8 students to attend Badger Boys and Badger Girls State – giving them hands on experience with our democratic form of government. Providing them with the opportunity to run for offices from City to State level. A program to change a lifetime. **Educates young leaders on how to become more impactful community members of Wisconsin.** During the program, high school students between their junior and senior years learn how our government system works by creating their own city, county, and state level governments. **Provides the delegates additional leadership credit on their college applications.**

**9-11 We will never forget!!! On this solemn day we honor and remember the fallen firefighters, first responders and law enforcement personnel who ran into the twin towers instead of running away from the dangers. We honor all those Service Members who have lost their lives in the conflicts that have taken place since September 11<sup>th</sup>, 2001.**
