AMERICANISM CLINIC

Some of our program chairs as well as program coordinator Sheri Hicks will be available to answer questions you may have on these programs as well as others.

These will be sessions on how to set up and complete a contest as well as Q&A opportunities.

POST FINANCE COURSE

Do you know what your duties are as that of a Finance Officer? Do your members know what to expect of you as a Finance Officer? What if you have an SAL? Have you filed your 990's?

This course will be a guide to help you, as a Finance Officer, and others within the post know what they should be receiving each meeting. This also pertains to counties and districts.

This course is only meant to be a guide and is not professional advice. If you have questions specific to the IRS, you should always consult a professional.

PEER SUPPORT AND BE THE ONE RECLAIMING YOUR PATH

This class will provide education about mental health issues, resources and facilitated access to expertise.

The goal is to create an enduring statewide resource to identify veterans who would benefit, increase public awareness of mental health and increase the mental health workforce through trained post members.
