Dine Out Club

August's Dine-Out will be on August 6, 2025 Red Robin @4:30p.m. For those of you who are not familiar with our “Dine-Out” program, we visit an area restaurant on the first Wednesday of each month. It is a great time to eat out with your friends and for our singles not to eat alone. Generally, the restaurant will give the center a gift card to their restaurant to be used in one of our many baskets we chance off throughout the year!

Pawsitive Days of August

The hot and sultry days of summer, known as the “dog days,” stretch from July 3 to August 11. This period of time was named by the ancient Romans, who observed that the Dog Star, Sirius, was most visible in the night sky during this steamy season.

It makes perfect sense, then, that August 3–9 is Assistance Dog Week, a week honoring canines that help humans with disabilities. Guide, hearing, and medical-alert dogs are specially trained to accompany their owners anywhere and everywhere. “Detection dogs” sniff out everything from bedbugs to forest truffles to cancer.

In addition, August 5 is Work Like a Dog Day, a day for all those dogs who put in a hard day of work. Search-and-rescue, police, therapy, herding, hunting, tracking, guard, and sled dogs are not merely pets but are integral partners in working endeavors. For example, no other dog can compete with the bloodhound’s sense of smell, which is so reliable that it’s admissible as evidence in a courtroom. Bloodhounds can track a smell more than 300 hours old and trails more than 130 miles (209 km) long.

The Doberman pinscher was bred by a German tax collector named Karl Friedrich Louis Dobermann as a protective companion to assist him on his daily rounds. Not only is the Doberman a tough guard dog but also it’s one of the smartest dog breeds in the world.

German shepherds are renowned Hollywood actors as well as police and therapy dogs. The breed’s courage may be rivaled only by their charisma. When Rin Tin Tin debuted on the silver screen, he received more than 10,000 pieces of fan mail per week.

While we’ve all heard the saying “work like a dog,” these industrious canines give the phrase new meaning.
