## Staff Introductions

As you all know Sue after 13 years has retired. We appreciate all the love, time, and, patience she gave the community here at Weston adult day center (ADC).

### Kim Buiano and Jo Moody are the new activities staff.

Kim Buiano: I recently arrive here from working with Hospice. I earned my Associates in Human Services and my Bachelors in Behavioral Science. I have worked primarily seniors and adults that do things differently. Through senior services in senior living, investigator for adult protective services through the State of Delaware. As well as Crisis Intervention through Contact Lifeline. I have provided activities for seniors through the last 10 years in all my positions. I'm excited to bring it here now to this community and work with some amazing people.

My schedule is Monday-Wednesday 8-4.

Jo Moody: Jo has been a backup for Weston ADC activities over many years. She comes with a lot of experience with this population. Jo loves to interact within the community members through song, activities, and crafts. She enjoys interacting individually and collectively. This enables her to enhance their cognitive abilities.

My schedule is Thursday & Friday 8-4.
