March 31, 2026

Dear Weston Adult Day Care Families:

The health and safety of your loved one is our top priority.

This is a friendly reminder that it is best to keep your family member home when they are experiencing acute illnesses, such as bronchitis, fever, flu, pink eye, strep throat, UTI, etc. I know that this can be an inconvenience, but failing to do so puts other clients and staff at risk. We do our best at the Center to clean and sanitize daily, but we need your help to minimize spreading of illnesses.

We appreciate your support in this matter. Please feel free to contact us with any questions at 302-328-6425, or via email at: westonadulthoodcare@aol.com.

Thank you for your cooperation.

Lori Servis, LPN
