FAIR GENERAL INFORMATION, PRICING & REQUIREMENTS

Non-Food Concessions = \$17 per linear ft. All spaces are minimum of 10' deep, if more depth required please indicate in special requirements section of contract. Concessionaires must provide their own tent, tables, chairs. All craft vendors whom are not under the craft pavilion will be charged at the non-food concession rate.

Electrical: Standard 120-volt electrical outlets are provided for all concessions. Concessionaires must provide their own electrical extension cords. To comply with State Health and Safety requirements, the Fair has established a standard outlet configuration for concessionaires requiring 220-volt service. All concessionaires must comply with this standard and adhere to the Fair requirements for electrical connectivity. Once contract is executed we will provide you the information on the 220-volt standard outlet configuration.

Water Waste: All food concessionaires must provide vacuum brakes on all discharge hoses to insure contaminants cannot feed back into potable water lines. The Dept. of Health and Neversink Agricultural Society (NAS) will inspect for these devices.

Insurance: All concessionaires must provide a copy of their liability insurance certificate naming the Neversink Agricultural Society as an additional insured.

NYS Sales Tax: All concessionaires must provide a valid NYS sales tax certificate or Tax ID#.

Fair Passes: All non-food concessionaires will be provided with three (3) 3-day passes. All food concessionaires will be provided with five (5) 3-day passes. Additional passes may be purchased for \$12 each. Passes will be picked up at the Information/Secretary's Booth on "set-up" day. If you prefer your passes mailed directly to you, please provide a self-addressed stamped envelope with your contract. Concessionaires and workers must have a pass for entry into the fairgrounds during fair operations. NAS is not responsible for any passes lost in the mail.

Camping: As the fairgrounds has extremely limited spaces and water access, we do not encourage requests for campsites. If it is necessary, please complete the information for review. If it is determined space is available, you will be notified and charged the applicable fee. Electrical requirements must also be specified for campsites.

All non-food concessionaires are prohibited from using any portable cooking equipment i.e: grills and hot plates inside their vendor booth or anywhere else on the grounds without prior written consent from the general superintendent.

All vendors must be completely set up and all personal vehicles must be parked in allotted general parking areas by 8:30 am Friday morning.

No personal UTV's and ATV's are to be driven on fair property during the working hours of the fair.
