Alex Robertson Player Profile

Season 2024 - 25

A player profile card for Alex Robertson. It features a dark blue background. At the top left is a circular portrait of Alex. To the right of the portrait are three icons: a calendar for '35 APPS', a soccer ball for '3 GOALS', and a checkmark for '3 ASSISTS'. Below the portrait is the club crest and the name 'Alex Robertson'. At the bottom, there is a 'Player Bio' section with a table listing his position, age, and height.

Position	Age	Height
Central Midfield	22	182 cm

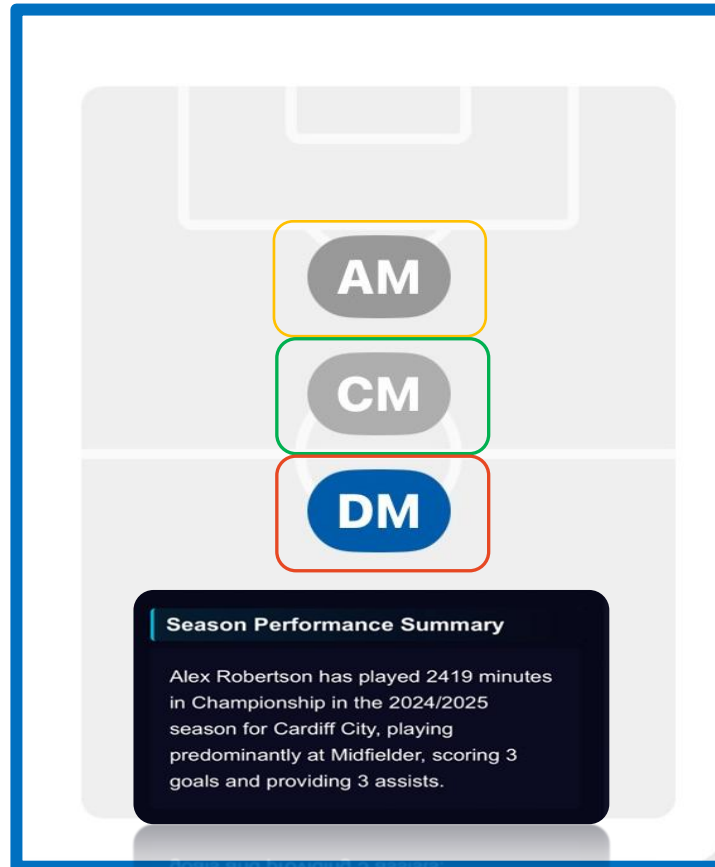

Alex's first season competing in the English Championship, showed his profile is well suited for this level. Alex was respected for his technical & physical output, which is reflective of a young player who can adapt quickly within elite environments. Alex's ability to take onboard information & understand the speed of play at different levels, has been key to Alex's performances this season for a team predominantly at the bottom of the table.

Alex Robertson Player Profile

Season 2024 - 25

Alex's best moments have come as a central midfield playmaker, with structured information & freedom to work between both boxes, this allowed him to use his fitness when attacking & defending

Season Performance Summary

Alex Robertson has played 2419 minutes in Championship in the 2024/2025 season for Cardiff City, playing predominantly at Midfielder, scoring 3 goals and providing 3 assists.

Alex is predominantly a #8 in a multitude of formations; he offers big energy throughout matches, with large spells conducting play from the middle, this is where he offers most value for his attributes.

Alex Robertson Player Profile

Season 2024 - 25

Alex is heavily involved in his team's possession based build up, turning defence into attack through him, play is controlled by Alex's ability to conduct the game tempo, increasing & managing possession according to KEY match scenarios.

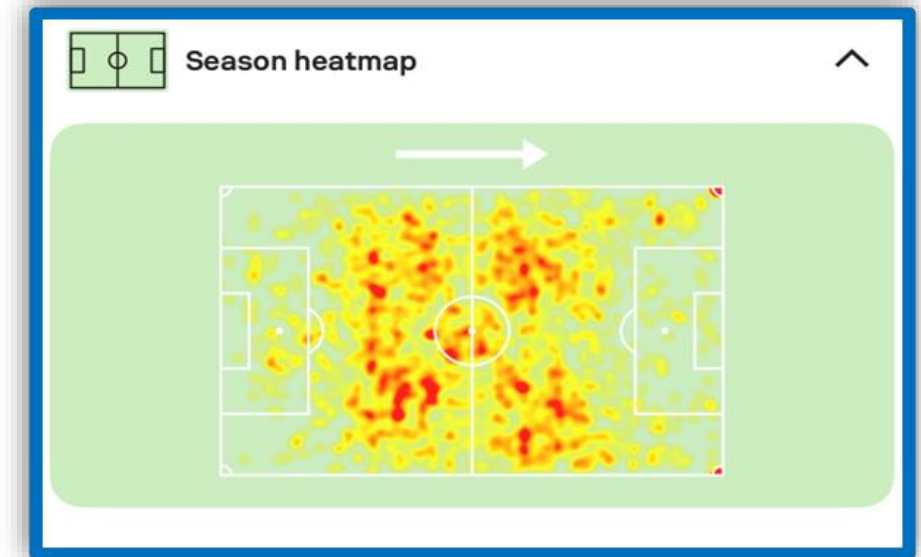

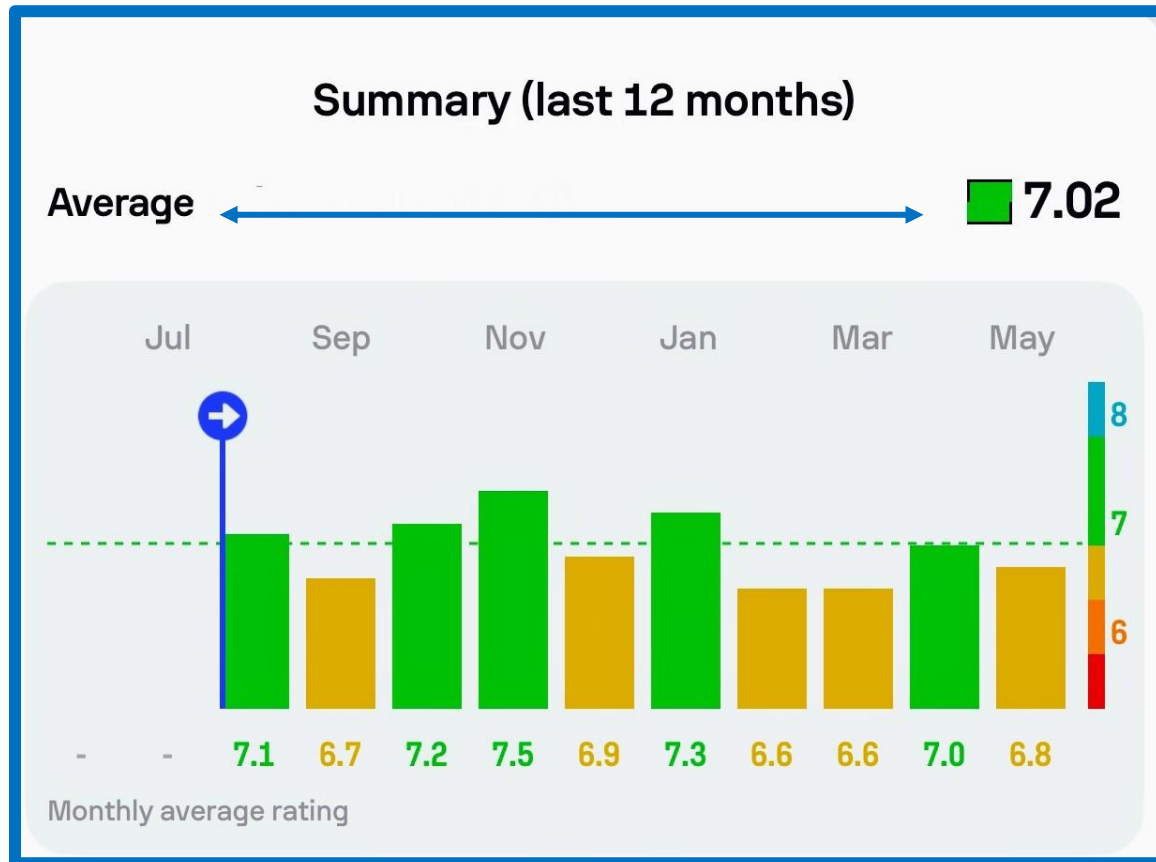

Shot attempts % are on the low side & certainly something that can & will improve over time, his conversion rate is always high. Alex's goals this season came at an important time in important games.

A big number % chances created this season, came from Alex's ability as box-to-box playmaker. His set piece deliveries were a contributing factor, detailed deliveries with accuracy, allowing teammates to attack & making it difficult for opponents to defend.

Alex is excellent in aerial duels timing his vertical leap to maximize impact, his defensive & attacking aerial power is a real strength for his profile.

Alex Robertson Performances Last 12 Months

Alex's overall contribution to his club's success has been significant, with him having a major impact in every team he plays for, reflective of him outworking & outperforming opponents. Alex possesses a winning mentality that is unrivalled, he has gained many individual accolades, as a bi-product of his development in a world class environment, claiming important Championships & Tournaments for Club & Country.

Alex's playing style is a Box-to-Box Midfielder, he's mobile with high physical outputs, averaging between 11-13km during matches. His game intelligence is very high, buying him time to receive passes & influence possession, he's creative & accurate with dynamic passing ranges.

Alex's goal contributions are positive, he scores a variation of goals from inside & outside the box, while recording several assists throughout the season. He is an aggressive midfielder, who is good in the air & wins ground duels without fear, his ability to break up play is advanced.

Alex's set piece delivery is with purpose & accurate, his detailed ball striking technique is excellent, crossing into attacking areas making it hard for defenders to deal with & easy for team mates to attack.

Alex's character on & off the field is calm & composed, his thought process is methodical & well thought out, while his decision making, both professionally & personally is mature & decisive.
