Do you have flexibility with sessions, or do you only want to be offered the sessions you have stated above?	
What date would you ideally like your child to start at Little Monkeys? (we require 2 weeks settling in before the start date)	
Would you consider a later start date than stated above?	
Do you wish your child to attend on a term time only contract? (Dates in line with Charlbury Primary school) or full year?	
Will you be using working families funding (available from 9 months old)?	
Will you be using any other funding streams (e.g. Two-year funding)?	

By Signing below, I confirm the information above is true and factual and I have: -

- Read and will abide by the GDPR Privacy Notice on the nursery website?
- Read and will abide by the Terms and Conditions of the Nursery?
- Understand that you will be offered two weeks of settling in for your child prior to their start date, we encourage parents to take this opportunity.
- A registration fee of £75 'per family' will be invoiced on your first nursery invoice and includes one child's book bag. This is chargeable for sessions booked for children using non funded sessions. Children using funded sessions only will pay no registration fee, but parents will be expected to use funding to offer flexibility to settle their child into the nursery during the first 2 weeks, following our tried and tested settling in strategy.
- Parent will be expected to acknowledge termly requests to remain on the waiting list and understand if they do not reply to the nursery, they will be removed from the waiting list.
