MONTESSORI BABYSITTING BASICS

A Class for Teens

Whether you want to start your own babysitting business or just learn how to take care of young children, our class will equip you with the knowledge to start your babysitting business on the right foot and learn how to be a safe, professional and reliable sitter.

In this **FREE** 8 hour class, you will:

- Learn all you need to know to become a **certified** babysitter
- Become **First Aid** and **CPR** certified
- Learn how to market your Services
- Learn proven **Montessori** techniques to help you take care of children
