## CELL PHONE RULES REMINDER

Students are to turn in their cell phones at 8:30, NO EXCEPTIONS. If phones are found on students we will call you (the parent) to come and pick up the phone. It will not be returned back to the student. We have students that are struggling to follow the rules. I am sorry it has come to this. Also, please be on the lookout for a cell phone agreement paper that we will be sending home. If your student brings a phone to school it will need to be signed and returned.

We are excited and are getting ready for the Homecoming Dance. Thank you parents for getting the permission slips turned in so we can have a head count. It is going to be a great night full of laughs and memories to be made.
