## St. Johns Christian School Student Handbook

Dear Parents and Students,

Thank you for choosing to be a part of St. Johns Christian School (SJCS). We want your student's experiences at SJCS to be life changing. Our desire is for them to one day leave our school prepared academically, along with knowing the purpose for which God has designed them and a passion to pursue that purpose.

As a Private Christian school, we have rules and guidelines that govern our day to day operations that we all are required to abide within. We also refer them as our **two basic authorities** in which our school operates;

**1. The Bible, 2. The Student-Parent Hand Book.**

All employees, students, and volunteers, are considered Ambassadors who represent St. Johns Christian School. Everyone is required to comply by these two authorities **both on and off** campus. *Those who choose to conduct themselves outside these authorities, whose life style defames the godly image we strive to project, **will not be allowed to remain affiliated with our school.***

Please take time to read this information carefully and discuss it as a family. If you have questions after reading it, please do not hesitate to address them with me. We cannot operate without effective communication. Education is most successful when both the **home and school** work together in the development of the whole child.

We welcome you to a new year at St. Johns Christian School, and look forward to partnering with you in helping your student begin "building their future, Today!"

In His Service,

Leon Edenfield  
Director

## Student Handbook

### INTRODUCTION

This section of guidelines contains explanations and policies that are vital to provide a spirit and environment for learning. Although one may not agree with all of our policies and guidelines, we expect them to be respected and adhered to regardless of one's personal opinion.

The intent of our guidelines/policies are to create uniformity without bias, and maintain a positive atmosphere for our families to enjoy. Welcome to the family at St. Johns Christian School--God has great things in store for us!

### NON-DISCRIMINATORY STATEMENT

---

It is and shall be the policy of St. Johns Christian School in the admission of students or the hiring of employees, not to discriminate based on the applicant's race, color, or ethnic origin and entitle them to all the rights, privileges, programs and activities made available to students and employees at this school.

**Human Sexuality:** We believe that God disapproves of and forbids any attempt to alter one's gender by medicine, surgery, or appearance; (Gen. 2:24; Gen. 19:5, 13; Gen. 26:8-9; Lev. 18:1-30; Rom. 1: 26-29; 1 Cor. 5:1; 6:9; 1 Thess. 4:1-8; Heb. 13:4). The altering of one's gender does not legitimize their alteration in God's eyes (Psalm 139:13-16). SJCS students are representatives (Ambassadors) of our school, and are required to represent themselves in accordance with the Bible and the Student Handbook. SJCS does not support, nor agree with, the "Woke Culture's" ideology of "Gender by Identification". All students will be taught a Biblical view regarding Gender, Sexuality, and Marriage. As Ambassadors of our Christian school, students of SJCS will present themselves in appearance, clothing, grooming, and conduct, by the gender listed on their Original Birth Certificate, as outlined in the Bible, and Student Handbook. Students shall conduct themselves by the same standard both on and off campus, to include on social media. SJCS is a Christian school based on God's Word (Bible), the display or promotion of homosexual/gender perversion of any type (in word, deed, dress, or gesture) is an abomination to God and will not be tolerated and could lead to dis-enrollment from our program.

### AMERICANS WITH DISABILITIES ACT

---

St. Johns Christian School does not discriminate against qualified applicants, employees, prospective students, or enrolled students who are/or become disabled. A qualified person is someone who, with or without a reasonable accommodation, can perform the essential functions of the job or educational program in question. In accordance with the Americans with Disabilities Act, St. Johns Christian School has adopted a policy that prohibits discrimination against faculty, staff or students with disabilities. The school, however, admits only those students for which the school can provide an appropriate educational program.

### OTHER LEGAL DISCLOSURES REASONABLE SUSPICION OF ABUSE

---

In accordance with state law and school policy, school staff is obligated under penalty of fine and jail term to report the reasonable suspicion of physical abuse, sexual abuse, or child neglect. In this very serious and legally narrow area, the school will not contact parents in advance of making a report to authorities, which would be the procedure followed in most other legal matters. The clear intent of the law, based on the seriousness of the crimes listed above, is to mandate that a report of reasonable suspicion of abuse be made. School staff will make such reports in the best interest of the child and do not, once reasonable suspicion is established, have any legal alternative except to make the report to the proper authorities for their investigation and review.

## Student Handbook

### DISCLAIMER

---

Nothing in this Student Handbook should be misconstrued as a contract. Any contractual rights are set forth in the Enrollment Agreement. St. Johns Christian School reserves the right to add, delete, or modify any policy in this Student Handbook at any time without prior notice.

### EXPECTATIONS

---

As a Christian school, we are distinctly unique. Because of our distinctiveness, SJCS encourages each student to develop the following characteristics:

- Commit to a real and personal faith in Jesus Christ.
- Become serious about living the Christian life according to God's Word and standards.
- Desire to work diligently to educate himself/herself.
- Desire to become a well-rounded, thinking person.
- Be faithful and trustworthy in all his/her doings.
- Be patriotic to his/her country.
- Commit to positive interpersonal relationships.
- Have a positive attitude of encouragement to fellow students in upholding Christian ethics.
- Respect Staff, Faculty, and the other students.

Just as sometimes we will fail in accomplishing our goals for SJCS, we know our students will fail in some area of their commitment to these standards. We are not so concerned that they will fail, we simply expect them to be teachable, to learn from their mistakes, and to have a sincere commitment to becoming the kind of person described above.

### PARENT COMMITMENT STATEMENT

1. As parents, we hereby invest authority in the faculty and administration concerning the discipline of our children as necessary.
2. We will adhere to principles and policies of the school as stated in its current Student/Parent Handbook.
3. As parents, we agree, in accordance with the principle of Matthew 18: 15-17, to bring any and all questions and criticisms to the person most directly involved. If we have a question about a specific classroom action or procedure, we will contact the appropriate teacher. If a satisfactory conclusion is not reached, you may contact the Director.
4. The administration has full discretion to the placement of students in the proper grade and courses. The school has the authority to investigate the background of any child to determine his/her compatibility for entrance into SJCS. This information will also be helpful in proper placement for the student.
5. St. Johns Christian School reserves the right of dismissal of any student who persistently and willfully neglects his/her academic work, exercises poor citizenship, is not in regular attendance, reflects adversely on the Christian principles of the school, or is engaged in behavior or a lifestyle inconsistent with the Biblical guidelines. This policy applies to behavior on and off campus and throughout the calendar year.
6. If we voluntarily withdraw our children from school, we are responsible for any outstanding balances and curriculum material. Transcript and records cannot be released until all is settled.

### **Contacting Parents**

*If your child comes to the office and needs to go home, we will contact a parent or legal guardian. We cannot send a student home until a parent has been reached and notified. Therefore, it is very important that we have current information about how to always contact you. If your child has an emergency or needs immediate care that cannot be provided at school, those contacts you list on the enrollment forms will be called, if we cannot reach a parent first. If this information should change, please notify the school office immediately.*

**\*\* Parents must notify the school of any serious physical handicap and/or medical alert their child may have. \*\***

### **SUPPLIES**

---

The first set of textbooks, workbooks, and learning aides for all students are included in the price of tuition. Supply lists for each grade level will be sent to parents and posted online. Any lost or damaged textbooks must be replaced at the current cost.

### **UNIFORMS & CURRICULUM**

---

SJCS purchases your student's uniforms (aprox \$200) and curriculum (aprox \$300) in advance for your convenience. If your student is on Scholarship, SJCS is reimbursed in part, by each of the 4 quarter's scholarship payment (aprox \$125 per Qtr). SJCS does not get fully reimbursed until the 4<sup>th</sup> Qtr Scholarship payment is released. If your student is dis-enrolled from our program (voluntarily or involuntarily) prior to 4<sup>th</sup> Qtr Scholarship payment is released, you are obligated to reimburse SJCS the remaining balance. Report cards, records, or any student information will not be released until the balance has been paid in full.

### **REPORT CARDS**

---

In grades K-1, Report Cards are based on the child's academic skill progress and effort in the classroom. In grades 2-12, conventional report card grades are used to report a child's progress and assessment. Please go over the report card carefully with your child. Sign & return to the teacher. If a question arises, please communicate with the teacher through the student planner or email.

### **STUDENT PLANNERS**

---

Students in K-6<sup>th</sup> grade receive a student planner on the first day of school. Should the planner become lost or damaged, a new one must be purchased for \$10. The planner is the most effective communication between the parent and the teacher; therefore, parents should check the planner daily for important information or homework assignments. For grades 7<sup>th</sup>- 12<sup>th</sup> grade teachers will communicate by email.

### **STUDENT RECORDS**

---

The school maintains a cumulative file for each student. This file contains the student's academic, health, attendance, and behavior records. If a student transfers to another school, the complete file is mailed directly to the new school. Copies of records for students are maintained at SJCS for 7 years after withdrawal. In the event SJCS should close its doors, records will be sent to Putnam County School District for retention and disposition.

### **PHYSICAL EDUCATION**

---

Physical education is given to all children in grades K - 8. High School students may take PE for an elective credit. Students must wear athletic shoes to participate safely. Please see the dress code for specific details. Dress code is part of the P.E. grade.

## Student Handbook

### CLASS PARTIES/INVITATIONS

Class parties at school should be inclusive of all students in the classroom. Please contact the classroom teacher if you would like to celebrate a birthday or special occasion with your child's class.

### TELEPHONE/CELL PHONE/ELECTRONIC DEVICE USE

Students may use the phone located in the front office only for emergencies. They must first obtain the permission of their teacher to leave the classroom. Requests of this nature must be limited to prevent the interruption of classroom instruction. **Cell phones, and like devices, are not allowed to be used during the school day** unless permission has been granted for certain class work situations. When students arrive at school, cell phones and other electronic devices are to be **returned into their Home Room teacher**. Students who do not follow these guidelines may have their devices confiscated and held in the office until a parent or guardian retrieves it. Refusal to surrender their device upon request by Teacher or Administrators will result in suspension.

### FUNDRAISERS

Periodically, our students can be involved in fundraisers for SJCS and its programs. We encourage families to participate to help the growth of our school.

### HOMEWORK

Homework is not assigned daily; however, there may be times where homework is required. If you have questions regarding the amount or type of homework given, please contact your child's teacher. The school does expect all homework assigned to be completed to the best of the student's ability. An unfinished assignment due to lack of understanding differs from choosing not to do the work. There will be no homework assigned on Wednesday's or Friday's unless a special project is due for class.

### STANDARDIZED TESTING

Annual Assessment tests are administered to all students during the spring of the school year. Results of these tests will be sent home to the parents following the test sessions. Parents are reminded to make sure students are present these days, have sufficient rest, and a healthy balance breakfast during test week.

### STUDENT INJURY AND INSURANCE

In case of injury to a student or an unexpected illness, the student will be monitored in the school office. If the parents are not available, we will try to reach the designated emergency contact. *It is the responsibility of the parent to provide health and accident insurance for their children.* Please be sure that your child is covered. If parents are leaving their children in the care of other family members or other adults, please leave a notarized statement giving them permission to sign for any emergency treatment that may be necessary.

**PLEASE NOTIFY THE OFFICE TO LET US KNOW WHO IS RESPONSIBLE FOR YOUR CHILDREN WHILE YOU ARE AWAY. THIS IS VERY IMPORTANT IN CASE OF SERIOUS ACCIDENT OR ILLNESS.**

**\*\*NO ACCIDENTS OR INJURIES ARE COVERED BY THE SCHOOL'S INSURANCE\*\***

### COMMUNICABLE DISEASE POLICY

A. St. Johns Christian School will work cooperatively with local county and state agencies to enforce and adhere to the **state health codes** for prevention, control and containment of communicable diseases in their schools. The Director may exclude students and/or personnel from school who are suspected or diagnosed with a communicable disease, or whose exposure to a communicable disease may threaten the well-being of that individual or those to whom he will come in contact. All reportable communicable diseases will be referred to the superintendent by the Principal/Staff. After such report, the superintendent will convene the communicable disease panel outlined in (G) if needed.

## St. Johns Christian School Student Handbook

- B. The Director will exclude a child who is out of compliance with the required immunization schedule. School personnel will complete and coordinate all immunization data, waivers and exclusions including the necessary immunization assessment program forms to provide for preventable communicable disease control.
- C. Communicable disease is a serious concern in the community. The afflicted individual may be asked to submit information to appropriate consultants, including the communicable disease review panel.
- D. Any students who have been diagnosed by a qualified, licensed physician (M.D. or D.O) as having a communicable disease may be required to submit a written statement from a doctor (Doctor's Note) stating they are not contagious and/or a threat to other students, prior to being allowed to attend class(es) at SJCS. The administration has the authority to determine acceptable length of time between the date of the doctor's statement and attendance of class.
- E. The decision to close school due to communicable disease outbreaks is at the discretion of the Director and Principal.
- F. Diseases which may be communicable and may call for application of this procedure include, but are not limited to:
- AIDS - Acquired Immune Deficiency Syndrome
  - ARC - Aids Related Complex
  - HIV
  - HEPATITIS B
  - SOME INFLUENZA STRAINS
  - MRSA
  - Covid
  - Other diseases that may be included by the local health department and may present health problems for those who encounter the disease and/or the disease carrier. Each communicable disease case will be judged on its individual merits and consequences.

G. **Head lice** are a highly contagious parasite. Parents are asked to check their student(s) regularly for signs of head lice. If your student has signs of head lice, please notify SJCS Front Office so that we can check other students in the class or grade for possible infection. This will help control a possible outbreak. Students who have head lice or nits are not permitted to attend classes until they have been treated and the lice and nits have been eradicated.

All nits must be removed from the students' hair prior to resuming attendance. Students who have had lice should report to the school office at the beginning of the day to have their hair checked for nits prior to returning to school. Students may not return to school until a **full 24 hours** have passed and only if they are nit and lice free.

### VISITATION

Parents and/or visitors are welcome to visit students during lunch if they have office and classroom teacher permission. Only visitors authorized on the enrollment forms will have access to a student, unless given written permission by the legal parent/guardian. **All visitors must first report and sign in at the Front Office for screening and to receive a Visitors Badge.** When dropping off, or picking up your student, he/she must be signed in/out at the office by the responsible adult.

### COMPLAINTS CONCERNING PERSONNEL

Complaints from students or parents, regarding an individual employee should be discussed first with the teacher or staff member. If the complaint cannot be satisfactorily resolved by such a conference, then the matter should be taken to the Director and, if necessary, the school board. This is the Biblical principle given in Matthew 18 and if followed, will ensure a good relationship, and prevent someone from being criticized unjustly.

### PARENT/TEACHER CONFERENCES

The purpose of the parent/teacher conference is to provide a direct means for closer and improved communication between home and school, and to evaluate together a student's development. One of our Lead Staff Members makes effort to accompany all Parent/Teacher conferences. All Conferences are scheduled through the Front Office (386)328-2120.

### CONFLICT RESOLUTION

As people reconciled to God by the death and resurrection of Jesus Christ, SJCS believes that everyone is called to respond to conflict in a way that is remarkably different from the way the world deals with conflict. When a situation arises that requires further review or action, it is always wise to follow these steps to get proper resolution:

- Personal conflicts cannot be avoided in life and are to be viewed as a learning opportunity for all involved.
- When the conflict arises, first take the situation to the Lord to receive His wisdom and to gain proper perspective. The anger of man will never accomplish the righteousness of God (James 1:20).
- The two parties involved are to discuss the issue as soon as possible. Email can be used as the first line of communication, but care should be taken to not use it as an opportunity to vent.
- When resolution cannot be reached through email, the teacher or parent should request a conference in person to discuss the problem.
- A third party is to become involved only if the conflict cannot be resolved among those directly involved. In the school setting, this will likely be with the teacher/coach/staff and the principal.
- If needed, schedule additional meetings with the parties and the principal; however, if both sides feel led, arrange a time for all involved to meet with the superintendent to seek his wisdom and insight in light of the school policies and guidelines.
- Even if the conflict is never fully resolved, forgiveness must be applied because it is the Biblical example. All confrontations should have the purpose of resolution in mind. An individual's spirit should be one of restitution, not revenge.

### TRANSPORTATION

This service is provided for students from Palatka and Green Cove Springs as space allows. We expect that students being transported will conduct themselves in a manner that is obedient, respectful, and does not endanger the lives of others. If a student persistently violates the rules for riding the bus, he/she may be suspended or expelled from riding the bus.

Guidelines for riding the bus are as follows:

1. The bus driver is employed by the school to have complete authority over the students riding the bus. Although the bus driver oversees bus discipline, the driver's main task is to drive safely.
2. Students must always wear seatbelts.
3. Students may not eat, drink, or chew gum on any school vehicle on routes.
4. Outside of ordinary conversation, classroom conduct is to be observed on the bus. Students may not yell, use loud boisterous talk or obscene language on the bus.
5. Students may not engage the driver in any unnecessary conversation.
6. Students may not communicate with people outside the bus by gesture or voice.
7. Absolute silence is required at all railroad crossings.

## St. Johns Christian School Student Handbook

8. Students may not have toys or any dangerous items such as, but not limited to, knives, matches or lighters on any school vehicle.
9. Students may not bring animals on any school vehicle.
10. Students may not bring large instruments on any school vehicle.
11. Students may not throw articles inside or from any school vehicle.
12. Students may not sit on the seat backs of any school vehicle.
13. Students may not recline the bus seats.
14. Students must remain in their assigned seats until arriving at their proper destination.
15. All students must keep their arms and heads inside the bus when the windows are open. Students are to close windows upon leaving the bus.
16. Students must be ready to board the bus at 8:00am. Drivers are instructed to leave promptly to keep on time with the route.
17. Any younger student (elementary age) who does not have a person to pick him or her up at the bus stop location will be brought back to the school and parents will be called. This is done for the safety of the child. Appropriate fees will be applied.
18. Student behavior problems will be reported by the bus driver to Pastor Billy Carter. He will take disciplinary action if necessary and inform the student's parents. Students may lose the privilege of riding the bus for a period or indefinitely for repeated infractions or any serious incident.

### ABSENTEE / TARDY / ATTENDANCE PROCEDURES

1. Parents are to contact the school office the morning their child will be absent. Please notify the Front Office (386) 328-2120 by 8:15 am. Either a phone call or email must be made each missed day stating the reason for the absence. Email [frontoffice@sjsf.org](mailto:frontoffice@sjsf.org)
2. A written note must be sent when the students returns to school (not placed in planners), with their full name and date(s) of their absence. If a student returns to school without a note from parent/legal guardian, or Dr., the absence will be deemed Unexcused. **After three consecutive days absent, students will need a Dr.'s excuse.**

### STATE REQUIREMENTS

Students that maintain regular attendance will meet the minimum compulsory attendance requirements in State Board of Education Rule 6A-1.09512 of at least 170 actual school days and 540 net instructional hours for students in kindergarten, 720 net instructional hours for students in grades 1-3, and 900 net instructional hours for students in grades 4-12. Scholarship student's attendance/absences are reported to Department of Education.

### ABSENCES DEFINED

A student will be counted absent from school for the entire day if they miss more than one-half of their school day. If a student checks out before 11:30 a.m. they will be documented as an absence. A conference with the administrator will be required if a student is in danger of exceeding their maximum days. If a student misses 30 days within the school year, they will not meet the required numbers of days to pass.

**SCHOLARSHIP STUDENTS: All absences exceeding 18 days must be reported to STEP-UP and could jeopardize their scholarship due to excessive absences.**

### EXCUSED ABSENCES

Absences for medical or dental appointments and illnesses are considered excused. It is strongly recommended that medical and dental appointments be made outside of school hours; however, we realize this may not always be possible. Should school day appointments be necessary, prior notification should be given to the school office and teacher. The student is responsible for making up any missed assignments. Family issue or emergencies are also considered excused.

# St. Johns Christian School

## Student Handbook

### UN-EXCUSED ABSENCES

Absences not described in the “excused absence” section above are “unexcused”, and work will not be made up.

### TARDINESS (Also See Daily Schedule, Pages 6-7)

It is imperative that parents get their students to class on time for the academic benefit of all students in the classroom. In such cases, parents may be asked to meet with the principal. **Any student arriving after 8:30am** must be signed in by parent/legal guardian through the front office.

- Excused Tardies are limited to student illness, doctor/dentist appointments.

**Three (3)** Unexcused Tardies in a nine-week period are considered one unexcused absence.

### SKIPPING SCHOOL

Students who skip school or leave campus without parental and/or school permission will receive a disciplinary consequence. A student who skips a class or classes but stays on campus also will be subject to school discipline. Leaving campus without permission is subject to expulsion.

### PARENTAL REQUESTS FOR STUDENT ABSENCES

For a student to be absent from school for any reason other than illness, parents must notify the school and make sure the absence will not interfere with scheduled standardized testing or important events. A request should be made at least one week prior to the absence. The request must state the dates and nature of the absence.

### ATTENDANCE NOTES

A complete record of all absences is kept in Gradelink and becomes a part of the student’s permanent file. For students receiving scholarships, absences are reported to the funding agency. Excessive absences may result in scholarships being revoked. Students with failing grades due to absences may be asked to withdraw from SJCS as the school is not able to serve the student’s educational needs.

### ACCESS TO SCHOOL RECORDS

The administrators of St. Johns Christian School will provide access to the educational records of children for their parents, guardians, and adult students. A verbal or written request to inspect and review educational records shall be made to the Administration. Student Records will not be surrendered. Parents/legal guardians may request an unofficial copy of records. Records will not be viewed outside of Administration’s sight.  
(Also see Student Records, pg 8)

### CURRICULUM

### DISCIPLINE PRINCIPLES

Discipline at SJCS is based upon and guided by the principles of the Bible and the Student-Teacher Handbook. Therefore, should be noted that defiance of authority, backtalk, use of profanity and all other actions indicating a disobedient spirit will be looked upon by the school as serious in nature, and the Guidelines for Discipline will be followed. The goal for discipline is for correction, not punishment.

### DISCIPLINE GUIDELINES

The goal of this section is to outline SJCS's basic expectations in student behavior. Disruptive and disrespectful behavior in or out of the classroom is unacceptable. Therefore, it is our desire to train them to understand that the weight of the consequence matches the actions they choose. Our teachers have a deep grace bucket and will often attempt to counsel with students in class, one on one, to provide the opportunity for self correction. However, to deal with such continued behavior, the following policies will be enforced:

#### Level 1 Infractions

- Handbook violations or disobeying class rules
- Disrespect shown to a teacher or other adult in the building
- Destruction of school or church property (payment of damages may be required)

#### Level 1 Consequences

1. A note or phone call to parents.
2. Time out, physical exercise, writing essays or scripture, etc.
3. Counseling with the Dean and parent notified.
4. A parent/teacher conference.
5. After school detention.

# St. Johns Christian School

## Student Handbook

### Level 2 Infractions

- Bullying
- Physical contact: fighting, hitting, kicking, horseplay, etc.
- Profanity, obscene language or gesturing that may be offensive to others
- **Possession of or Suspicious** use of any type of vape, tobacco product, drugs, alcohol, or weapons on grounds.

### Level 2 Consequences

1. **Referral** to the Lead Administrator, or Director which could result in immediate suspension for the remainder of the day and parent notified.
2. **Up to 3-days suspension** for fighting on campus or on the bus. Student **will receive zeros** in all classes for the duration of suspension. **Mandatory parent meeting** to discuss student's return.
3. **Repeated** offenses without resolve will result in expulsion.  
"A student may be sent home, at any time, for disciplinary action and **cannot return** until the parent/guardian has resolved the issue. The Director/Lead Administrator is the **final authority** in all disciplinary situations."

### **Examples:**

1. All Discipline will be documented in the student's record section of SJCS's Grade Link Database.
2. Students who are disruptive will be given a verbal warning or reprimand. Recess or "fun" time may be restricted at the discretion of the teacher.
3. Students who are excessively or repeatedly disruptive will be given a Referral and sent to Dean to determine appropriate Consequences.
4. Students who cause intentional physical harm to another student will be sent to the Deanto determine appropriate Consequences. Parents may be notified by phone and asked to pick up their child.
5. Students who are extremely disruptive or cause persistent disruption will be sent to the Deanto determine appropriate Consequences. Parent will be notified by phone call, text, or email that a conference has taken place.
6. Further discipline may result in detention, suspension, or even expulsion.

**Bullying** is not tolerated at SJCS. Bullying is defined as "willful and repeated harm" inflicted verbally, in writing, or using technology (social media). Students may not harass or bully other students. Incidents of bullying or sexual harassment must be reported to the teacher. Bullying or harassment is a Level 2 Infraction.

**Student Communication Exploitation:** Students are prohibited from posting, sending, texting, emailing, or disseminating messages or information that would violate school policies if they were spoken orally, written on paper, or posted on Social Media. Students may not post or text inappropriate pictures of themselves or others. In other words, the same rules of conduct for written or face-to-face communication apply equally to electronic communications. Violations of this policy may subject students to disciplinary action, including, but not limited to, probation, suspension, or expulsion.

### **Classroom Conduct:**

1. The **teacher** is in charge, and students are **expected** to cooperate with respect.
2. Students are responsible to help promote a learning environment conducive for learning.
3. All students must have permission **before** they leave any classroom.
4. Only **one** student is allowed to be out of the classroom at any time.
5. While out of their own classroom, students are not permitted to enter other classes.

### DETENTIONS

---

Detentions are an alternative to suspensions, and only given to students in grades 2 – 12. Students may be given detentions for a variety of behaviors that are detrimental to a quality learning environment in the classroom. Detentions may be assigned but are not limited for the following behaviors: disrespect, defiance, excessive playground referrals (includes misconduct in hallways before and after recess), profane language, vulgar behavior, possession of nuisance items, cheating, destruction of property, lying, bullying and any behavior inappropriate in a Christian environment. Detention will result in **character building activities** such as, but not limited to:

\*Washing walls, baseboards\*De-weeding mulch beds\*Picking up trash outside\*Essay writing

### OFF CAMPUS BEHAVIOR POLICY

---

SJCS discipline policies apply to students while they are on campus, on SJCS operated school vehicles, or at school functions or activities. Any student who is involved in a serious infraction outside of school which defames SJCS may be subject to discipline, may include suspension, or recommendation of expulsion to the school board. The administration reserves the right to determine appropriate discipline. Students involved in athletics, leadership, and other visible roles may be disciplined for infractions and receive consequences in their area of influence.

### SUSPENSION

---

A suspension is the removal of a student from participating in the normal course of school activities. Serious violation of school rules or repeated offenses will result in a suspension. The only type of suspension at St. Johns Christian School is an out of school suspension. Students who are suspended are not allowed on school grounds, attend school events, and receive zeros as a grade during this suspension.

### EXPULSION

---

The most severe form of disciplinary action is expulsion from SJCS. This is defined as the removal of the student as an enrolled member of St. Johns Christian School. It is imposed in those rare instances when a student shows persistent and/or seriously inappropriate behavior that threatens the academic and/or spiritual integrity of SJCS. It is also imposed on those students who continually defy the rules and guidelines established for students.

**Expulsion** is an action of the School Board at the recommendation of the administration. Expulsion shall be for the balance of the school year. **Admission for re-entry** will be based upon a recommendation of the administration, an interview with the Lead Administrator, Director and approval by the School Board. All parents and students should be knowledgeable of the causes for suspension and expulsion. It is our desire to never have to utilize these modes of discipline, but students who do not adhere to the rules and regulations will find themselves subject to these means.

### STUDENT RESPONSIBILITY (also see Expectations pg 5)

---

Establishing and maintaining a positive climate at school is a two-way street. There must be a relationship of mutual respect between teachers and students. Students will respect the authority of the teacher, and Teachers must always bear in mind that each student must be treated with respect and consideration.

Students are expected to exhibit behavior that reflects an attitude of respect for the authority of the teacher.

**Three basic principles** should guide student behavior in St. Johns Christian School:

1. Students are to be **respectful** of people (peers, teachers, principal, administration, visitors, parents, etc....).
2. Students are to show proper **respect** to property (desks, walls, equipment, bathrooms, etc....).
3. Students are to obey and **respect** rules established for health, safety, and orderliness.

**Discipline starts first in the classroom.** The classroom teacher is responsible for enforcing general school rules and specific classroom rules established for his/her classroom.

### SECURITY/SAFETY/DANGEROUS ITEMS

**DANGEROUS ITEMS:** SJCS strives to maintain a positive learning environment on campus that is free of illegal drugs, alcohol, vapes, cigarettes, chewing tobacco, firearms, weapons, explosives, pepper spray, or other improper materials. To this end, SJCS prohibits the possession of (either on the person or in the person's belongings), transfer, sale, or use of such materials on its premises. Annoying or dangerous items, such as but not limited to chains, water pistols, matches, firecrackers, etc. are not permitted on campus. Students who bring such items to school will be subject to disciplinary action ranging from a verbal warning to expulsion as determined by the Administration. Possession of any firearm by a student will result in law enforcement being dispatched, and immediate expulsion.

**SEARCH AND SEIZURE:** Desks, lockers, and other storage areas are provided for the convenience of students but remain the sole property of SJCS. Accordingly, they, as well as any articles found within them, can be inspected by the Administration/Director, either with or without prior notice. There is no expectation of privacy. Administration may use electronic metal detecting devices, such as wand style, to assist with a "no touch" search of students and property.

**SECURITY:** SJCS has selected, and authorized, certain anonymous employees who are legal and responsible to Conceal Carry a firearm as part of the Quick Response Team. The Team's purpose is to defend and protect your student(s) in an active shooter situation. The intent of our Team is to confront and neutralize the threat of any life threatening aggressor, as quickly as possible, while law enforcement is dispatched. To improved security, we have added audio/video surveillance cameras throughout our classrooms, hallways, and outside buildings. Anyone entering our buildings is deemed to be in agreement of being recorded by audio & video cameras.

### PLAYGROUND/HALLWAY BEHAVIOR

Students should play during recess in such a manner that all students enjoy their play time and play is conducted in a safe manner. Hallway behavior should be orderly and not disruptive to other students, teachers, or classrooms. Students who do not comply with playground rules may be asked to sit out and/or lose playground privileges for a period.

### PLAYGROUND RULES

Safety is critical for all playground activity and behavior. Rules have been put in place to provide a safe environment for all students to enjoy their time on the playground. Some of the key safety notes are found listed below.

1. Always follow the directions of the playground aides and teachers on duty.
2. Play in the designated play areas and do not go into parking lots without permission from an adult on playground duty.
3. Use playground equipment in designated and safe manner:
  - a. **Swings:** Sit on swings in the appropriate manner with no jumping from swings or swinging sideways. Students are NOT to stand on swing seats. Others waiting to swing should stand outside the mulch area until a swing is open.
  - b. **Balls:** The only balls allowed on the playground are those provided by the playground supervisor or those designated for a specific game such as soccer, four-square, football, etc. Balls are not to be in the mulched playground areas.
  - c. **Playground** structures: The playground structures should be used and enjoyed as intended and limited by the warnings listed on the signs by the equipment.
4. At the end of recess, students should line up by the side door. Students may not enter the side door until it is opened by a teacher or playground supervisor. Upon entering the hallway students may use the restrooms and drinking fountains but must be always quiet.

## St. Johns Christian School Student Handbook

5. No plastic, paper, or wrappers may be brought on the playground. Keep our playground clean!
6. All playground equipment must be put away before leaving the playground. All students are expected to show kindness to each other on the playground and respect to the teachers and supervisors on duty. Students are expected to be inclusive of all students in the activities on the playground, so no one feels left out. If students have concerns or problems on the playground, they should speak to the supervisor or teachers on duty to help resolve the issue. Recess is a time to burn off some energy and enjoy God's creation outside the classroom.

### DRESS CODE

---

SJCS has a campus wide **standardized** dress code. All clothing and personal appearance must be neat, clean, in good repair, and modest in fit and length and appropriate to a Christian educational environment. Dress, hairstyle, or makeup should not call undue attention to the individual or be distracting. This code applies during any school day from the time of arrival on campus. There will sometimes be special considerations made for certain field trips and school activities. These considerations will be communicated by the teacher in advance.

The purpose of this plan is to:

1. Maintain appropriate modesty
2. Ensure that student dress reflects pride in the school
3. Have a fair, consistent and objective dress code
4. Have a campus wide plan that works toward the goal of training our students in appropriate dress.

We need parental support to effectively maintain standards of dress for our students. These policies can only be successful and productive when the home and school work together.

Please help us with the following:

1. Do not allow your child to "push the envelope." Please help your child stay well within the established guidelines.
2. Do not take dress code infraction incidents personally. School employees try to administer the dress code as consistently and fairly as possible.
3. Help your child to understand the purpose of the dress code and the importance of learning to live within guidelines.
4. Do not allow the inconvenience or frustration of a moment to undercut the vital partnership between the home and school.

Please use the guidelines below to follow appropriate dress for your child. This list is not exhaustive, nor does it touch on all the possible combinations of acceptable dress. Administrators have the right to determine appropriateness of all student dress at school and/or school functions.

### **DRESS GUIDELINES:**

#### **Shirts/T-Shirts**

- The "uniform" shirt is a polo style shirt with 2 or 3 top buttons and a collar (provided by school)
- **Must be worn every day** as part of the daily dress code unless otherwise allowed for special days
- Any SJCS t-shirts issued from prior years, or from SJBC, can be worn on Fridays only.
