

CENOTES & TORTUGAS

You will enjoy a unique experience swimming with turtles in their natural habitat on the beautiful white-sand beach and in the crystal-clear waters of Akumal.

We will travel through the jungle of Tulum, where you will discover two impressive cenotes, beginning with a refreshing swim in a spectacular semi-open cenote with crystal-clear waters. Afterwards, explore a cave cenote and observe the different stalactite formations.

 Average duration 8 hrs
