

Explore the natural beauty of the Riviera Maya with our Akumal Reef & Turtles tour. Enjoy an unforgettable experience swimming with turtles in their natural habitat in the crystal-clear waters of Akumal, one of the most iconic beaches in the Mexican Caribbean. Dive into the spectacular reef and discover the incredible marine biodiversity while snorkeling in this protected ecosystem.

Experience this adventure with the comfort of air-conditioned transportation, a certified bilingual guide, and included snorkeling gear. A perfect opportunity to connect with nature and admire marine life up close in a paradise setting.
