

CENOTES & CAVE EXPEDITION

Join us on an unforgettable tour of Hacienda Kampepen, where history and nature meet in a unique setting. Our first stop will be the picturesque town of Acancéh, Yucatán, where you can admire the impressive Acancéh masks, Maya vestiges that hold centuries of history.

Next, we will explore the Kixné Cave, a mysterious place with stunning Maya cave paintings inside a sacred cenote once used for ancient ceremonies.

Later, you'll have the chance to relax and refresh yourself by swimming in two spectacular cenotes, La Noria and Chen Ké, surrounded by breathtaking natural landscapes.

At the end of the day, we will return to Mérida, bringing with you unforgettable memories filled with adventure and culture.
