

KAAN LUUM & CENOTES

Uncover one of the hidden secrets of the Riviera Maya: Kaan Luum Lagoon, a spectacular natural spot embellished with mangrove. Its turquoise crystal waters await to be explored.

We will journey through the jungle of Tulum, where you will find two amazing cenotes; starting with a refreshing swim at the wondrous semi-open Mariposa cenote, and then exploring the closed cavern-like cenote where you can take a look at the stalactite formations. Experience some of the traditions of the Mayan Culture. The activity includes buffet meal with delicious Mexican cuisine dishes.
