

TULUM CENOTE & TORTUGAS

Discover Tulum, the legendary walled city with a privileged view of the Caribbean sea, considered one of the most important archaeological sites of the Maya culture.

Enjoy a unique experience swimming with turtles in their natural habitat at the beautiful white-sand beach and crystal-clear waters of Akumal.

Continue the journey to two cenotes, sacred places in Maya culture: a semi-open cenote and a cave cenote where you can appreciate the different stalactite formations.

 Average duration 12 hours
