you have blessed me, you are righteous" when you say these words; you are defining, recognizing, appreciating and promoting the character of God.

Listen to Moments of Worship
With Pastor Chris

hen you thank Him for his goodness, when you thank Him for his provisions, when you thank Him for the blessings, all the wonderful things in your life that He

has done for you, you are saying; "oh God I know it's you, I know it's you". You are attributing those beautiful works to Him and the necessary result of that is; He Will Do More for You.

So, Worship becomes for us something that is much more than a form, a ritual, it's beyond that.

There is a true recognition, there's a true perception, there's a real encounter.

That's why when you go to church, when it's time for worship, give your attention, worship in reality, give your attention.

### COVER STORY: EVANGELIST KATHY WOGHIREN

## 1. WHEN WAS THE FIRST TIME YOU RECOGNIZED THE CALL OF GOD UPON YOUR LIFE AS A MUSIC MINISTER AND WHAT HAS BEEN YOUR INSPIRATION?

Right from a very early age, I discovered the call of God upon my life. I was born into a Christian family and my grandparents were also Christians. At age 6, I was in the Children's Church Choir at Assemblies of God Ministry, and at age 8, I was already taking solos in the Choir. By the age of 10, I was the Children's Choir Leader, and worked with Children's Church teachers in the Choir Unit. We ministered in the Children's Church Services and occasionally, in the Adult Church Services during special programs, when the Children's Church Choir were invited. The ministrations were always so beautiful.

s a child, a lot happened to me while I ministered. I had beautiful experiences with God, my love for him grew passionately; I loved the house of God. Also, my parents were workers in Church, so we had that orientation.

In secondary school, I also became the Choir Leader. As a youth, in the Youth Church, I was also the Choir Leader. I learnt to express my love for God through Music and all I did was sing, sing, and sing. Apart from the experiences I had serving God, at the Assemblies of God, my greatest inspiration came from Pastor Chris, my Man of God, who is also my elder brother.

I have learnt to
prioritize the things of
God, to prioritize the
word of God, to
prioritize the leading
of the Spirit, and my
relationship with the
Holy Ghost and the
instructions I get from
my Man of God, as God
instructs him.

Growing up with him and seeing the love he had for God, practically changed my life. It was through him that I began to understand spiritual things. Every time he came home from school, we were all inspired, by watching the way he loved God, served God and worshiped.

I began to love God even more and more. Pastor Chris would minister to us and most songs came to me as I worshiped God alongside him. All I just wanted to do was love God the way my big brother loved God. I never saw a man love God the way he did. Asides the passion he had for the things of God, and for evangelism, the way he prayed, the posture in which he prayed, he would lay on the floor and worship with deep reverence for God.

Everything about him was an inspiration to me. This made me revere God even more and the more I worshiped the Lord, the more I got songs from the Spirit. Every song that came from the Spirit we never took for granted because It ministered to people. When my big brother started Youth for Christ, I was his Number 1 follower. I follow him closely till this very day, and the inspiration keeps increasing. At that time. I became the Choir Leader of the first Choir we had in YSC (Youth For Christ). We called the Choir, the Agape Streams.

As you can see, it has been Music Ministration for me all along. The greatest thing that has happened to me, is my personal worship life with God. Early enough, I discovered I had a calling in this area. Presently, I am the Director of the LoveWorld Music and Arts Ministry.

There is absolutely nothing greater than my relationship with God and worshipping Him truly with all my heart and my life.

... continues in the next edition, dont miss it.

# LIMA AWARDS WORSHIP SONG OF THE YEAR 2020 (I REJOICE BY; CHOOKAR)

he inspiration for this song first came in 2019, a week to the new year when Evangelist Kathy asked me to write a thanksgiving song for the 31st Night Service.

While in the studio recording the song, the

Spirit of God took over. Prophecies came forth regarding the great impact the song would make all over the world, the atmosphere during the recording was electrifying.

I ministered the song for the first time at the January 2020 Global Communion Service with our Man of God; Pastor Chris and testimonies started pouring in, it was amazing. Prophecies were fulfilled and to crown it all, our man of God Pastor Chris declared that the song should be sung in all our churches. The song has impacted me personally. I pray and fellowship with it regularly.

"My favorite part of the song is "I don't need to go searching around for someone like you" I hear people say "I have searched and searched and couldn't find anyone like our God" but, as for me, I don't need to search. Why search for something that you cannot find anywhere else?

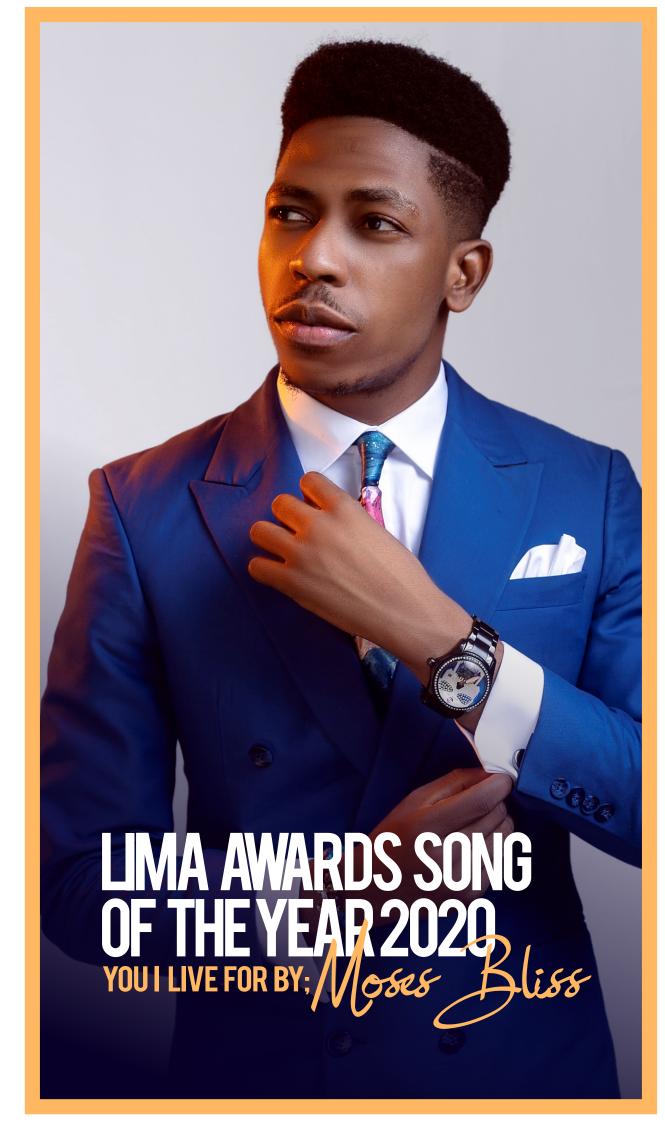

he song was birthed from wanting to write a song of thanksgiving to God but, it ended up being "The Worship Song of the Year" at LIMA 2020. My favorite part of the song is "I don't need to go searching around for someone like you" I hear people say "I

have searched and searched and couldn't find anyone like our God" but, as for me, I don't need to search. Why search for something that you cannot find anywhere else? There is no one like our God, if there was any other God in the entire world who performs supernatural miracles, we would have known.

Our God and the things He does cannot be hidden, so why are you searching for something that is right there with you? When you are in Christ you are at home, the search is over. I have come to a point in my life were I am no longer searching. I am not looking for anything because I have it all in Christ.

I am grateful to God for the impact this song is making in so many lives all over the world. Every ministration of the song produces miracles. People tell me how they pray with the song, fellowship with the song, and I thank God for making me the instrument with which He brought this song to life.

Watch out for the next edition featuring LIMA song of the year 2020 "You I Live For" by Moses Bliss

### THE IMPACT OF WORSHIP

In December 2017, I was down and almost out. It was so bad that I couldn't get myself to pray. It was like watching oneself ie until one morning, I decided to listen to music and I played the worship song Jehovah by Testimony Jaga. I reluctantly started dancing. And when it got to the part of the song that says; "Jehovah ginger, Jehovah zeze", something happened to me, it was like my tongue suddenly became loose and I started speaking in tongues profusely (something I had not done in weeks). And as I did, I started declaring God's word concerning me and that was it! Depression ceased and I was bold to face the coming days and create a miracle out of it.

**Testifier: Joy Godor**

was so blessed during the
program, she had so much
burden lifted off her as her

Bro Francis Siyangwe from Zambia also shared his experience at the program as an exciting one. In his words "Excited in my Spirit, this is heaven on earth experience". Brother Maxwell Ikponmwen from Nigeria sharing his thoughts on the program, "it was an awesome experience".

The impact of this program will resound for a very long time. As we prepare in all ramification in this year of preparation, we are consumed with the zeal of the house of the Lord to bring to pass every vision and desire of our man of God, Rev. Dr. Chris Oyakhilome for the LMAM.

# THE BACKGROUND ON THE SONG FOURTH MAN BY PRAISE NATION & LOVE CULTURE CHRIST EMBASSY LAGOS VIRTUAL ZONE

The song 'The Fourth Man' was birthed and inspired by the teaching of Pastor Chris Oyakhilome DSc. D.D. on The Fourth Man. The first Joseph was trusted by God to preserve life, the second Joseph was trusted to secure the salvation of the world by preserving the infant Jesus, the third Joseph was trusted with the Body of Christ, and the fourth man, described in Daniel 3:25 – "He answered and said, Lo, I see four men loose, walking in the midst of the fire, and they have no hurt; and the form of the fourth is like the Son of God", is likened to the Son of God. In essence, King Nebuchadnezzar was saying that the form of the fourth was like God in the flesh.

The teaching began with the first, second and third Joseph, and their inspiring acts of obedience and then centered on the Fourth Man, and the responsibilities given to him by God. The Gospel is committed to his trust, and God is depending, trusting and relying on him to tell it to everyone in his world -"To wit, that God was in Christ, reconciling the world unto himself, not imputing their trespasses unto them; and hath committed unto us the word of reconciliation" (2 Corinthians 5:19)" and we are THE FOURTH MAN Entrusted With Preserving Lives, Entrusted With The Message of The Gospel & Entrusted To Preserve The Body Of Christ.

n preparation for the LoveWorld International Music Concert (IMC) in June 2019, the CELVZ Mass Choir ministered a medley of songs which comprised of several songs on second coming of Jesus. One of the

songs in the medley of songs was 'The Fourth Man' which at that time consisted of a verse and chorus. However, in preparation for CELVZ Firstfruit of Souls Service slated to hold on the 31st January 2021, and as part of the its preparation strategy, PraiseNation was inspired to recall and expand the song by writing a second verse and a bridge with further arrangements for the music and harmonies to achieve the envisioned result.

The song was perfected in a Band all night rehearsal for Instrumentalists and Praise Team members, and a further rehearsal was done to prepare the Choir to minister the song on Sunday, January 24, 2021.

At the rehearsals, it was important to share the revelation behind the song, and the Mass Choir was enjoined to communicate this vital truth through their ministration.

Often the singers would burst out in rapturous worship and rapid tongues as they rehearsed, the presence of God was tangible.

Indeed, the song was birthed by the Spirit of God and as the Choir ministered on Sunday 24th January 2021, with glorious music, the communication of the Spirit was so real.

# THE FOURTH MAN

The testimony on every lip was the Chorus of the song –

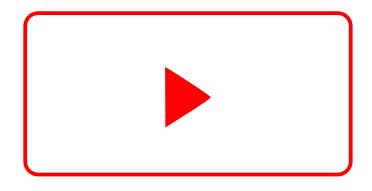

"Jesus, You can count on me You can trust in me, I'll preserve your body till you come I'm the One I'm the Fourth Man"!

This was the right mindset required to begin the new week and to prepare for the Firstfruit of Souls Service. Many with holy emotion and tears in their eyes, some stood lifting up their hands, some kneeling down, some sitting but all making the confession "Jesus, you can count on me".

The testimonies from that ministration abound. Many have communicated their firm resolve to do more for the Kingdom of God after listening to the song. We are confident that everyone person who would hear this song will be inspired and set right. We are thankful to God that he finds PraiseNation a willing and ready instrument for use and more than ever before, we will yet do more for the Kingdom as we declare "Jesus, you can count on me". We will preach the gospel with ever increasing zeal, we will not be silent.

**Glory to God!** 

**SING:** - This means to make musical or melodious sounds with the aid of the voice. The definition of music in a lay man's term is the ability to combine sounds that are pleasant to the ears.

Basically, the Act of Singing in our context has to do with the performance of Gospel Music. Here, we refer to the act of producing melodious sounds with the aid of the voice by applying lyrical content from the Bible and ministry materials.

This Act of Singing must be tutored that is, it must be taught. Bad singing can be noise instead of singing. You must understand the role of Notes and Pitch.

"If you can talk you can Sing"

TWO MAJOR ASPECTS OF SINGING THAT MUST BE TUTORED.

**1. NOTES: -** vocal sound production of Notes is the ability to treat each sound with the duration of length of a sound or a syllable. We have several Notes here e.g. Semibreves Notes, Minim Notes, Crochets Notes etc.

**2. PITCH: -** Your ability to produce sounds, considering the height and depth of a sound that is, how high or how low a sound is.

Simple analogy; just the same way you produce sounds by talking but this time using Notes and Pitch. You must also know how to drop your jaw and your mouth formation like that of an oval shape to produce a note on a pitch level.

You must also understand that the Vocal is a natural Instrument for everyone, so you must know how to play it. For this to be possible you will need to have regular rehearsals with a pianist or a keyboardist.

Your tongue has a way of memorizing each sound so, the rehearsals with a pianists or a keyboardist will help you master sounds with Notes and Pitch levels. After going through these rehearsals, gradually start to apply words from the scriptures to each sound you make, then your Act of Singing will become better.

These are just the Simplest ways to Understand the Act of Singing.
