Tiedowns & Strapping

*Maximize your yard's efficiency with our 50th anniversary specials!
Place your order by March 31st to take advantage of PRO discounts.*

PROACTIVE RETURNS & INVENTORY MANAGEMENT

- **Improve material return process and profitability:** increase percentage of resell-able material, and reduces downtime at job site looking for materials.
- **Improve safety & profitability:** reduces time from return to resell, improves safety of materials during transport, reduces safety issues at the yard from unstocked materials.

DRIVERS' KITS

Whatever the size of your yard or the type of material you are working with, BOSS has a simple and efficient way to manage inventory.

PROTECT YOUR TEAM & YOUR BOTTOM LINE

- **Control costs & never run out of strapping:** the ProPack ships flat saving space. Using our predictive order means you have what you need, when you need it at a consistent price.
- **Use the Industry's Best Overall Strapping System:** BOSS uses a specific weaving process to secure materials safely and efficiently without damaging product.

Check out the strap being cut
halfway through & re-tensioned:
without breaking!

PROPACKS

ProPack Contains:

- 16 Coils of Strap
- 3 Boxes of Buckles
- 1 H22 Tensioner

PROTECT YOUR TEAM & YOUR BOTTOM LINE

- **Reduce labor cost and wasted time:** safely set the panel, cut the loop, & repeat!
- **Reduce potential safety violations:** each loop is rated and imprinted so that inspectors can quickly identify the weight limits and manufacturer.
- **Low-Cost, Disposable, Simple to Use, Rated & Imprinted**
