

## Social Club Report for April 18, 2020

At this time the Social Club has cancelled all activities through the month of May.

The kids fishing derby is scheduled for Saturday June 13th, it is not yet clear if we will be able to have this event but it does not look like it will happen in June. If we do have to postpone we will look at setting a date in early September.

We hope that as time passes we will have a better idea if when we will be able to start planning for the annual garage sale. We have hopes that this will be able to happen sometime later in the summer or early fall.

Until we can all get back together we would like to encourage everyone to continue practicing social distancing. There are many opportunities to catch up with friends and family by holding virtual games and catching up through face time or the other group meeting formats like Zoom and Go To Meeting which many families have already jumped on.

There are many group game sites as well. One the our family is using is a site called playing cards [PlayingCards.io Virtual Tabletop](#) this is a virtual table top card format where you can play formatted card games and a few other board games or you can choose format your own, this format is very user friendly.

At this time please keep in mind that we all need to pull together as families and a community more than ever before. Please be sure to keep in contact with friends and family virtually or by phone, as we ride out this storm. There may also be neighbors that because of health or age should not be going to purchase food or medicine. If you live near someone like this remember to reach out often and if you can offer to pick things up for them when you are making your own store run.

On behalf of the social club we are sending everyone virtual hugs and we are look forward to hosting some sort of celebration event after the shelter in place order is lifted

-Cheryl Wash  
Social Club Chair
