

## Powder Basin Equestrian Association

Presents

Working Equitation Ease of Handling Introduction Clinic/Derby  
with Terri Bain

July 5 and 6, Derby July 7

PBEA Facility and Equestrian Park  
Gillette, Wyoming

Working Equitation is a growing competitive sport that is accessible and doable by many of us regardless of age and the age of our equine partners.

Come learn and prepare Friday July 5 and Saturday July 6 and stay for the derby on Sunday, July 7.

### What is Working Equitation?

While the discipline can consist of 4 phases (dressage trial, ease of handling, speed trial, and cattle trial) the clinic will focus on ease of handling introduction to introduce the horses to the obstacles as well as instruct you on how you and your horse can succeed in this phase. **This discipline is open to both English and western riders looking for something fun and challenging.**
