OUR STORY

I have always had a great passion for food and cooking. For many years, I have wanted to follow my ultimate passion and dream of cooking amazing, delicious food.

Throughout the years, my family has always loved cooking. It all started when my great-grandfather owned a taverna in a place called Plaka in Athens (pictured below). It opened in 1932 and is still there to this day under new ownership.

As a child, my Nanny Roula would always cook us traditional Greek dishes, including my favourite chicken and lemon soup called "Avgolemono". Although this is not to everyone's taste, I'm sure her famous Greek-style meatballs would be.

Growing up with these amazing European flavours has always inspired me to cook. But I wanted to turn it into my dream job.

I love what I do!
