

# LABOUR HIRE ELECTRICIANS

Are you struggling to find suitable electricians or have you been inundated with work? With a large number of local electricians on JGML's database we can quickly and easily fix that.

JGML saves Queensland businesses money every year by placing electricians with specific experience in appropriate roles first time.

JGML ensures all clients are provided with superior service when it comes to electrical labour hire.

- We have electricians performing the vetting process, to ensure our clients are getting the electrician who is best suited for the job.
- We ask industry questions which are tailored to the specific roles and projects.
- We have access to hundreds of electricians whom we can contact within minutes.

## OVERVIEW

JGML is a labour hire company specialising solely in the electrical industry. We are a labour hire company for electricians, run by electricians.

We provide highly-qualified and experienced electricians who cater to the individual needs of your business.

The JGML team has years of experience in the electrical industry working on projects all around Australia. Our electricians have a range of different skill sets that are required in the industry.

At JGML, we understand the issues that are faced by businesses and make sure we listen, understand your business and duties of the role you require to be filled. This allows us to utilise our bespoke technology to find the appropriate electrician within our network to complete the job for you.

We pride ourselves on delivering the right person quickly, saving you time, money and stress, making it a pleasant experience for all involved.

## VALUES

- **Safety:** Safety and health are what matter most.
- **People:** The people we have are the strength of our business.
- **Leadership:** We take ownership and lead by example at all levels.
- **Teamwork:** We work together and support each other to achieve success.
- **Client Relationships:** We have trusting relationships with our clients.
- **Community:** We show respect for the community, Indigenous Australians and the environment.
